**Quotes:**

“...think of the traits that reflect the values of the Nations Surface Navy, we see them all reflected in this candidate. He displays honor, courage, and commitment, rarely seen in people his age. ... the scholarship ... will give him an opportunity to further his education, create new and even loftier goals, exceed them, and then give back to his community. His words and actions will be a credit to himself and this organization.” **Andrew Hayes** - - CEO MRP Training Solutions

“This scholarship motivates me to continue along my academic trajectory, and I plan to earn a double major in Economics and Psychology at the University of California, Berkeley. I hope to join the field of business in a way that positively impacts our environment and our community, and this scholarship brings me one step closer to my goal.” **Calvin**
