

Personal Safety Solutions

USCCA / NRA

Basic Pistol Class

The class is a blend of the **NRA basic pistol class** and the **US Concealed Carry Association Handgun class**. So you get the best of both classes.

You do not need to own a gun to take the class. Class firearms available.

Are you new to pistols? Interested in purchasing one but not sure where to start? Want to learn about the different types of pistols and how they operate?

This class is for you (youth welcome also). It provides the student with the knowledge needed to safely handle and shoot a handgun.

The course consists of discussions of the following areas:

- Universal safety rules
- Basic knowledge, skills, and attitude for owning and operating a pistol safely.
- Provides a hands-on introduction to the safe handling and proper orientation to one or more pistol action types (learn about pistols prior to purchasing one).
- Pistol parts and operation
- Ammunition types
- Shooting fundamentals
- Provides an introduction to defensive shooting fundamentals
- Live fire on the range
- Range rules

The course culminates with live fire on a range. Bring your own handgun or arrange to use a class handgun. Students may receive an USCCA Certificate of Completion.

Instructor is a NRA and USCCA certified firearms instructor.
