

The review of the Bromsgrove local plan is delayed until the government publishes its National Planning Policy Framework (NPPF)

This is now expected at the end of July

Belbroughton and Fairfield parish council will be helping to encourage YOU to take part in this important review

We will be holding events, both in Fairfield and Belbroughton.

Watch out for the announcements.

We want you to be fully informed and able to make valid judgements on the issues involved.

This will involve how our community develops in the forthcoming years.

Your contribution and opinions count.

Councillor Bob Morgan

Neighbourhood planning lead for Belbroughton and Fairfield parish Council
