Don't Miss Christmas!

“Herod...gathered all the high priests and religion scholars in the city together and asked, “Where is the Messiah supposed to be born?” They told him...” Matthew 2:3-4 (MSG)

Isn't it amazing the religious folks knew the prophecy about Jesus' birth but they missed it anyway? The Bible tells us not one of those scholars or priests made the five mile trip to Bethlehem to see or worship the Prince of Peace! They had information but there was no excitement, they had facts but no faith, they knew about the Messiah but they missed his arrival!

Have you ever risen early to go to work and become so focused on driving on the streets that you missed an amazing sunrise? Have you ever missed the beauty of a cool winter morning because you were complaining about the cold? Have you ever been so tired of the rain you didn't notice a bright rainbow? There are times in our life when we miss the phenomenal because we get lost in the familiar!

This weekend, don't miss the Joy of Jesus' arrival because you are familiar with the characters of Christmas. Don't miss the peace the Prince brings because you are focused on the parties and the presents of the season. Remember His birth represents God fulfilling His promise. Don't ever forget Jesus coming means God is committed to us and with us! Don't miss Christ this Christmas! Merry Christmas!

Peace and blessings,

Pastor T'
