**Greetings MOCA Brothers and Sisters,**

**HAPPY THANKSGIVING. I hope this season of “THANKS” brings peace and happiness to you all. I know that our hospitalized veterans would appreciate and extra visit from one of our volunteers-YOU!!**

**I have posted the yearly goals (FINALLY) for each auxiliary for this year. As of today, only Aux 7 and Aux 19 have reported any hours and we are a long way from meeting out yearly goal. Please have your Auxiliary Hospital Chairman work on submitting those hours to give the recognition that the volunteers in your auxiliary deserve. Remember to “THANK” them for the volunteer service they give.**

**Ideas-Make and take lap blankets to the patients. Have elementary students color Thanksgiving placemats and deliver them to patients. If possible, set up Turkey Bingos with small holiday prizes (canteen books, sugar-free candy bags, etc.)**

**Each Auxiliary should have the Excel Spreadsheet to fill it out and return to be by the 25<sup>th</sup> of every month (Tabs are at the bottom of each sheet for you to fill out). For NOVEMBER, I can only accept September, October and November reports.**

**I take your reports and simply take the numbers off your sheets to create my report. I then attach the report that you send me for Sheila to review and make sure the numbers are correct. Make sure you REPORT REPORT REPORT! Your auxiliary hospital chairman needs to be your point of contact and the person who you report your hours to.**

**Remember reports are due no later than the 25<sup>th</sup> of each month.  
It is time to submit your year-end reports. Please mail/email them to me at  
ztf@aol.com**

**\*\*REMEMBER our number one duty as MOCA members is hospital work. It is important to volunteer and report. We are the hospital workers for our organization. The patients need us more now than ever.**

**If you have questions, please feel free to call me or email me at (505) 235-1237 [ztf@aol.com](mailto:ztf@aol.com); Make sure to put MOCA GRAND in the tagline, so I do not think it is junk mail.**

**God Bless our Homebound and Hospitalized Patients,**
