The dedication and hard work each of you has demonstrated as educators and union representatives does not go unnoticed by the community and district. This year has been a testament to our collective resilience and unwavering commitment to the education and well-being of our students. Together, we have navigated these challenges with creativity and perseverance, ensuring that our classrooms remain vibrant, inclusive, and nurturing spaces for learning. The strength of our association lies in the dedication of its members, and I am confident that together, we will continue to overcome challenges and achieve even greater successes in the years to come. G. 2024 Nassau Regional Office Summer Workshop Schedule

They consider these workshops to be high priority trainings for getting locals up and running in good order in September. Some of these workshops will be repeated in the fall, in addition to some of the ELT and others courses I previously referenced.

Please use the below link to access this summer’s NRO workshop schedule with links for registration:
