JULY IS OUR "BANG" IN SUMMER

Don't we have the most beautiful city. Look at that photo above. Fireworks a blaze in the dark city air with flashes of color across our glorious 3 Rivers at the Point! We, Pittsburgh Yinzers, absolutely love to celebrate. The City Of Champions really kicked us into gear and here in our great city we celebrate ALL cultures of life. This year, the Covid-19 virus has effected festivities and it seems to be more of a bummer this year. BUT, we here at Norbert's ALWAYS find a way to have a fiesta!

Last month, Friday, June 12th, our Families really came through for all of you! The **"Community Parade of Daily Hero's & Families"** was **HUGE!!!!** We had 70 vehicles participate in the parade. Miss Pam, from Dietary, is always creating goodies for our

events. Walking tacos, drinks & cake were outstanding! We are extremely thankful for Mr. Bill Mancini who entertained us with singing, dancing and filming our event. WAY TO GO BILL!! The signs, balloons, pom-poms and flags with all of our residents' ear to ear smiles made for a colorific day in the bright sun!

We also have a wonderful **Garden Club** that helped to weed, sift soil, and plant herbs and veggies in the 4th floor Gazebo Garden. They planted tomatoes, cucumbers and 3 kinds of bell peppers. Next to those are Italian Oregano, Sweet Basil, Garlic, Parsley and Dill. SUPER-DE-DUPER job folks!!!

We will continue to have entertainment outside on lovely summer days. We will keep

enjoying the blessing of waking up and having the opportunity to see & do something amazing that is right around the corner.
