Gem State Distributors, Inc. is excited to announce our November, 2018 Rare Gems Trip to Thailand. All points earned from January - September 2018 will go toward the drawing for this amazing trip.

This incredible journey begins in Bangkok. As the political, economic, cultural, culinary, and spiritual capital of Thailand, Bangkok features both old-world charm and modern convenience. Bangkok is also known as the "Venice of the East" with more than 300 canals that crisscross the city. One of the highlights in the "City of Angels" is a city tour including the magnificent Royal Grand Palace and Wat Phra Kaew, a royal temple within the place grounds, dating back to 1782. The main chapel houses the most revered religious icon in Thailand, the Emerald Buddha. We continue our tour of the palace grounds, including the house occupied by Anna Leonowens, the English school teacher in Rogers and Hammerstein's Broadway musical, "The King and I." We depart the palace and explore the canals and waterways of Bangkok by long-tail boats. Optional activities include an excursion to the Floating Market, cooking classes, jungle bicycling, and more.

Our adventure through Thailand continues as we journey south to the island of Phuket, the most beautiful and most famous of the many islands in the kingdom. Beautiful? Jaw dropping? Uncrowded white sand beaches? Adventure and non-stop fun? What best describes Phuket? Phuket is an island of beaches and mountains nestled in a tropical paradise. It's a bit of the South Seas and a bit of Jurassic Park...without the dinosaurs. So many choices and so little time! Do I relax poolside, enjoy a world class beach, join an elephant safari in the mountains, dive and snorkel in the Andaman Sea, or enjoy the nightlife of Patong City? A "must-do" in Phuket is a sea canoe excursion to Phang Nga Bay where islands, which feature tropical birds and monkeys, and hallow and the interior is open to the sky. We enter tidal sea caves by sea canoe and then glide through the interior waterways of each island. It's a magical experience not found anywhere else. Our four-night stay is at the deluxe JW Marriott Resort and Spa.

An optional extension is also offered after the trip to Chiang Mai, Thailand. It is located on the foothills of the Himalayas and was the capital of the Lanna Kingdom for more than 700 years. Evidence of Chiang Mai's greatness and strategic importance is seen everywhere including the ancient city walls that still surround the city. Cultural and soft adventure opportunities abound including elephant safaris, ancient temples, handicraft bazaars and the world famous Chiang Mai Night Market. The northern highlands are forested mountains and national parks centered on Chiang Mai.

Mark your calendars and work your plan so you won't want to miss this once in a lifetime adventure with Gem State Distributors.
