Pat Roy

Topic: Debunking Evolution

Most public Schools teach evolution as fact, taking a serious toll on the faith of many unprepared Christians.

Debunking Evolution co-creator Pat Roy is slated to share what tenants of evolution are taught in California textbooks and the arguments against them.

Roy created the Jonathan Park Creation Adventure Series, a creation science audio drama for young people heard on more than 700 radio stations worldwide. He also worked at the Institute of Creation Research for more than twelve years.
