Families can register their child for fall baseball by visiting shop.dreambigathletics.com and selecting the appropriate 2017 Fall Baseball Icon. Training nights, times, and schedule will be sent out to all participants after Sunday, August 27th.

Expect to train two nights during the week (Monday and Wednesday or Tuesday and Thursday) and again on Saturday mornings or afternoons. All registrations are non-refundable. Those voluntarily withdrawing from participation after payment will be offered credit to a future program held at Dream Big Athletics.

Dream Big Athletics is pleased to announce the expansion of our professionally designed training program for the Fall of 2017. The Dream Big Athletics' Youth and High School Fall Baseball Programs will run from the beginning of September through the middle of October. Individuals and teams are invited to join the Illinois Patriots Travel Teams and Dream Big Athletics staff for indoor and outdoor training sessions (Baseball Skill Development and Athletic Performance Development), but also participate in additional training and intersquad games played on Saturdays. Training will be held at Dream Big Athletics Training Center in Palatine and the local Hoffman Estates Park District fields. This will not be the typical fall baseball program – we will be stressing very high importance and time on quality instruction, training sessions, and player development. The official schedule will be sent out to all participants and is based off of total program enrollment. The opportunity to compete, train, and develop baseball skills will be available for all players ages 9U-18U looking to receive some top-level instruction and improve their games.
