

T Shirt Design Contest

Help us commemorate our 15th Year!

It's hard to believe that ACME is entering its 15th year and we want to share our pride with the agility community through a special shirt design.

All members are welcome to submit a design that celebrates what makes us special. The winning entry will be voted on at our annual banquet (online option for those who cannot attend). The designer will be credited on the shirt (Design by *name*).

Specs:

- The design will be printed in one color
- Fill a space at 10 x 14 inches
- Original design (you can look at other designs for inspiration but the design should be created by you and AI is ok)
- File type: vector graphic in a format like AI (Adobe Illustrator), EPS, SVG, or PDF
