

Hope Council on Alcohol & Other Drug Abuse Treatment Provider List
262-658-8166 (phone) * 262-658-8210 (fax) * info@hopecouncil.org

Important information regarding Assessments/Screenings: If you have health insurance, please contact your insurance company BEFORE your assessment/screening appointment to see what treatment providers your insurance will cover, in the event that treatment is deemed necessary through the assessment/screening findings.

Once the appointment has taken place, the treatment provider must be contacted within **3 business days** from the assessment/screening.

Failure to contact the provider within 3 business days may result in noncompliance status/other sanctions.

*This agency has spots available for T-19 clients; however, availability is subject to change. Please contact the agency to verify availability.

The Hope Council on Alcohol & Other Drug Abuse does not recommend or endorse any of the listed service providers. Inclusion on the "Preferred Treatment Providers" list means that the service provider has agreed to collaborate and communicate with Assessors, Recovery Coaches, and other staff from the Hope Council on AODA, ensuring that this agency will receive timely communication regarding your progress. The provider also agrees to participate in best practice trainings and quarterly meetings and utilize best practices, such as motivational interviewing and sensitivity to cultural diversity. Additionally, the provider has the ability to do both quick screen and lab-quantified levels of urine tests.

You are responsible for interviewing and selecting a suitable provider or support group facilitator. Therefore, you must contact providers or group facilitators directly for relevant information such as insurance coverage.

If you choose a provider who is not on the preferred list, **you are responsible for ensuring the Hope Council receives monthly reports.**

Either way, **you must follow the order of your DSP/assessment/screening findings.**
