# 1. You are chosen as strangers in the world according to the foreknowledge of God.

Jennifer Wild has discovered that overcoming adversity and becoming extraordinary tap the same factor.

People who flourish ... draw on seven key processes –

- 1) the unwavering **belief** in recovering against all odds,
- 2) the **conviction** to reach one's goals,
- 3) the **courage** to focus on the future rather than the past,
- 4-7) the invaluable, necessary conscious and continuous process of updating out-dated memories and self-concepts. These factors drive people to overcome adversity.

*"Love your neighbor as yourself.  
There is no commandment greater  
than these."*

*Mark 12:31*

If your brother becomes poor and cannot maintain himself with you, you shall support him as though he were a stranger and a sojourner, and he shall live with you. Take no interest from him or profit, but fear your God, that your brother may live beside you.
