

### **Official Rules for "Refer a Friend"**

To qualify for \$500.00 from the Builder, you must "register" the potential buyer prior to the buyer visiting the Builder's Subdivision and registering themselves. The term "register" means that you will call, fax, or e-mail the full name and contact number and/or email address of the potential buyer to an on-site agent at the Builder's Subdivision. The agent will contact the potential buyer with subdivision information and current promotions. Buyers must only be working with an on-site Builder agent, meaning you are not eligible to receive a referral gift for buyers working with an outside realtor. The referral is good for 90 days, and if a contract has not been written within 90 days you must re-register the potential buyer in order to still qualify for \$500.00. Buyer may only be referred by one person. (In the event of multiple referrals of one buyer, the first to register the buyer will qualify for the \$500.) The \$500 is given upon the successful closing of the buyer's new home. The Builder's on-site sales agent will contact you to make arrangements for you to receive your \$500.00, paid for by the Builder, within 2 (two) business days of the successful closing.
