### **Biography**

Doris Joan Davis of Bad Axe passed away Friday, April 19, 2024 just two days before her 90th birthday celebration, at McLaren Thumb Region after a brief illness. She was born April 21, 1954 at the Pigeon Hospital to Solomon & Hattie (Fahndich) Kropp. She is a 1951 graduate of Pigeon High School. She married Roy Junior (RJ) Davis on August 1, 1953 at Salem EUB Church. She is a Member of the Salem Church. Doris was a devoted mom and homemaker taking care of not only her children, grandchildren and many other children through the years. She worked at Pigeon State Bank, Scenic Golf Course, Douglas Buehler, OD and Wash King Laundry from 1984 until its closing in December 2012. When Doris was 25 years old she was in a severe car accident. She broke her hip and was forced on bed rest for 11 weeks. Over the years she had four hip replacements and because of the accident and the hard work of the laundry caused many other health issues, none of which kept her from working hard. Since retiring, she loves doing puzzles and sending out hundreds of birthday & holiday card to friends and family. She loved watching the deer, squirrels and birds in her yard.
