

Escambia County Cooperative Library System is excited to announce this year's Summer Reading Program theme—Oceans of Possibilities! The Summer Reading program is a FREE book-lending program for pre-school through 12th grade students. Participants may choose to receive Books-By-Mail, download free e-books and music, or BOTH!

Those who sign up for Books-By-Mail have two service options: traditional or online request. Traditional request patrons will receive a request card and catalog of titles to choose from. The request card can be filled out and included in the package of books you are returning. This way we know what you would like to read next. Online request patrons can view the entire Books-By-Mail catalog and place requests on our website, escambiacountylibrary.com. Patrons are encouraged to use either or both service options. Your selections will arrive in a re-sealable plastic mailer, along with a new request card and a postage pre-paid label. Books are due one month from the checkout date and there are never any late fees.

Prefer to use an e-reader or portable device? Request an e-book lending card for access to thousands of titles available for free download.

Forms may be submitted via email or mail:

Online registration is available on our website, www.escambiacountylibrary.com
