

DA Meeting 1/23/18
Communications Committee Report
Tracie, Oriole, Jeanne, Adam, Sook

Website-updates/improvements ongoing

Thinking to allocate home page sections to partner stakeholders:

MCPS, Moco, Natl PTA, MD PTA – help other stakeholders communicate their messages as well.
Still thinking this thru

FB-posting various and random info/news in an effort to get traction with the MCPS community at large
and to gauge response via click/viewing activity

Pls share with your “friends” the MCCPTA FB page

Also, pls comment (respectfully) about subjects as you are inspired.

Twitter-Tweeting on an adhoc basis.

Mostly re-tweeting MCPS or Natl PTA tweets (easier than coming up with original tweets).

We do tweet info as it becomes available.

Pls feel free to tweet or re-tweet MCCPTA’s msgs

Respectfully, but honestly, pls.

Election App

Currently working on this in tandem with the Advocacy group’s Candidate Questionnaire.

Hope to have a version 1 by this weekend.
