

NICU family support packages

We provide a reusable water bottle to NICU families filled with snacks and candy. When you have a baby in the NICU, it is easy to let the day go by without taking any time to take care of yourself. We hope these items will make a parent's day a little easier so they can focus on their baby.

Sponsor Options:

Brigham & Women's Hospital \$100

Boston Children's hospital \$50

South Shore Hospital \$25

NICU memory bag

These packages are provided to families who have a terminally ill child in a NICU. These packages allow families to capture precious memories of their baby. The packages include ink for hand and foot prints, ready to hang subway art for hand and foot prints, a disposable camera to leave with nurse, baby blanket, hand lotion, chapstick, snacks, a reusable water bottle and tissues.

\$25 per bag

Legacy Gift

The loss of a child is something a parent should never have to experience. It's extremely difficult when that loss is a newborn. Remembering and forming a lasting legacy is extremely important. One way we help families do this is by sending them a plant in memory of the baby such as a rose bush.

\$30 per legacy gift

Set of Precious Baby Blankets

Blankets donated to the hospitals for nurses to use when presenting stillborn babies to their parents for that difficult time they are saying hello and goodbye. All blankets are handmade and in a few different sizes.

Brigham & Women's Hospital or South Shore Hospital \$50
