

Introduction to Punch Needle Punching Pumpkins

with Simone Vojvodin

Punch needle rug hooking has taken the fibre world by storm! This quick intro class is a great way to try your hand at punching to see what the excitement is all about! The pumpkin projects will be made with beautiful hand-dyed wool yarns and are just the right size for students to complete during class. They make a lovely brooch or magnet! All materials are provided and students can borrow punch needles during class time.
