He has come back, the price is paid
God has come back from the grave, glory hallelujah
Heaven and earth praise His holy name

Sin defeated, death is crushed, Jesus glorified
Now He's seated on the throne and will call us all home
When He comes again

He has come back from the grave, glory hallelujah
He has come back, the price is paid
He will come back again someday, glory hallelujah
We will be there to praise His name
