Prioritize Construction of the Newport Way Sidewalk

Newport Way between Allen Rd and 150th Ave. SE connects many public and private facilities, including:

- South Bellevue Community Center
- Tyee Middle School
- Aldersgate Church

Edgebrook Swim Club

- Newport Way Library
- Eastgate Park

There are currently no sidewalks here, and it's extremely hazardous for pedestrians and bikers. As concerned Bellevue residents, we ask that the City make the construction of sidewalks and bike lanes here a top priority.
