

VOLUME 15 No. 11

NOVEMBER 1986

HAGUE VOLUNTEER FIRE DEPARTMENT

On November 6 at a special budget hearing conducted by the Town Board, Fire Chiefs Paul Davis and Jim Young thanked the Board for increasing the amount budgeted for the Fire Department. They came up with some very interesting figures, which give the reasons for the necessity of the increase. The staff of The Hague Chronicle feels that the public should be made aware of these "mandated" increases. We as residents should be eternally grateful to the time and effort expended by the fire fighters and the ambulance squad. They need our continued support. Won't you add the Hague Volunteer Fire Department to your Christmas gift list?...DJH

The following report was sent to us by the Hague Fire Department:

The HVFD has recently completed work on and passed its budget for 1987. As usual this is a difficult and complicated process. Increased costs affect a volunteer organization as well as they do any other organization. However, cost increases for a volunteer organization are very difficult because of the way funds are obtained. Unlike business organizations, these funds come from various sources and it is difficult to pass cost increases on to these sources.

The HVFD contracts its services to the Town of Hague which partially pays for the fire and emergency services provided. The rest of the necessary funds are raised through other means by the volunteers themselves.

The following is a list of HVFD expenditures dating back to 1983 and projected to 1987. The breakdowns show cost increases as well as sources of funds.

	<u>EXPENDITURES</u>	<u>CONTRACT FUNDS</u>	<u>RAISED FUNDS BY VOLUNTEERS</u>
1983	\$29,830	\$20,000	32.95%
1984	41,777	25,000	40.16%
1985	46,792	30,000	41.00%
1986 (to date)	68,172	35,000	48.00%
<u>INSURANCE COSTS:</u>			(another 5.7% projected totalling 54% for 1986)
1986	\$5891.00	Increase to Department	
1987	9131.00	\$3241.00 !!!	

KNOWN COSTS FOR 1987

1. New roof for fire house	\$ 5,000.00	
2. Insurance increase	3,241.00	
3. Scott air packs/tanks	4,800.00	
4. New turn out gear (State req.)	8,625.00	(@ \$345.00)
5. Portable pumps	<u>1,200.00</u>	
Total	\$22,866.00	

The HVFD wishes to express its sincere gratitude to all those who help fund their efforts to provide fire protection and emergency service to our community. Hopefully this information will help those interested in understanding the requirements of the HVFD and assisting them in the future.

Anyone wishing further information, please feel free to contact Fire Chiefs Paul Davis and Jim Young, or President John Breitenbach.

MORE ON HAGUE VOLUNTEER FIRE DEPT.

The next meeting will be held December 1 at 7:30 PM at the Firehouse.

The Hague Volunteer Fire Dept. members would like to thank Ambery Butcher and the Silver Bay Association for the use of the dining room for our Columbus Day Dinner. It was very successful and we hope to see you there next year.

October statistics:

- 1 Fire alarm
- 4 Ambulance runs
- 19 1/2 man hours
- 183 miles ...Joanne Stormer

AMERICAN LEGION

Regular meeting of Hague Post 1538, American Legion, will be held at the Legion Home on Wed. December 3 at 7:30 PM, at which time plans for the annual Christmas party scheduled to be held on Saturday Dec. 13, will be finalized. Refreshments will be served following the business meeting, and all members are urged to attend.

LITERACY VOLUNTEER AFFILIATE FORMED

Do you know an adult non-reader??? One out of every five adult and young adult citizens in this country are unable to read. It is hard for those of us who do read to imagine what life would be like if we could not. The non readers know and they know that it is frustrating and sometimes frightening.

Literacy Volunteers of America (LYA) has recently formed an affiliate in this area to serve the towns of Hague, Putnam, Crown Point and Ticonderoga. Instructors from all of these towns have been trained and are ready to work with anyone who has the desire to learn to read. Their services are FREE, it is confidential and it is individually tailored to meet the needs of each student. Remember there is no shame in not being able to read. The shame is not having the courage to learn.

If you want more information about learning to read, call 585-4454. You will be put in touch with a Literacy Volunteer who can answer your questions.

"Discontent is the penalty we pay for being ungrateful for what we have."

WILLY C'S OCT/NOV WEATHER NOTES

October sped along about the same as reported last month, but with some additional beautiful sunny days. Our low temperature occurred the last day of the month with 28 degrees F lake side, 16 degrees F up slope. Our high of 72 degrees on the 1st was reported last issue. Only 1.85 inches of rain, one of the driest months of the year. Average temperature for the month fell below normal for year to date. So far this year temperatures are 6.4% below normal and 16.5% below last year, which upon this kind of reflection seems most balmy. We lost another 1 hr. and 28 min. of daylight in October.

November has started off with a very business like approach to winter early on in the month. 2-1/2 inches of snow lakeside with a temperature at 24 degrees on the 5th and 6th, 3- 1/2 inches of snow with 12 degrees at our mountain lookout. Plows were out and all those good things. More snow and cold further back toward Chestertown.

Today, Nov. 11, it has been snowing all day, but fortunately it has been melting at lake level. Not so at higher elevations. Plows have been out

Water temperature is 50-1/2 degrees - air temperature 34 degrees Cold air is expected to sweep in for the next several days.

Leaves now have all fallen except for some stubborn oak species which will cling tenaciously through the winter blasts only begrudgingly giving up their grip one by one as Mother Nature buffets them about. The pines are already clad in which well over two weeks before Thanksgiving. November does indeed seem business like about winter.

SENIOR CITIZENS

Seniors will hold their regular monthly meeting on December 23. at the George Traver home at Sabbath Day Point at the regular time - 1:30 PM. Everyone is asked to bring a Christmas tree ornament to exchange. Please gift wrap.

Mrs. Lindquist will be at the town hall on Dec. 10 from 11 AM to 2 PM to collect any small (but new) item you may have (gift wrapped and marked for a male or female) that will be used to fill Christmas stockings...GL

WINTER'S COMING

Dan Belden, Supervisor of Highways for the Town of Hague has announced that anyone needing barrels of sand at their homes should contact him at the Highway Dept. 543-6500. Barrels are becoming a scarcity. Dan says that the highway dept. will pick them up at the end of the season so that they may be loaned again next year.

HAGUE TOWN BOARD MEETING - 11/11/86

The first order of business at the town board meeting held on Tuesday, Nov. 11 concerned bids both to sell and buy. Six bids were received on a 1981 GMC 1-ton truck with plow and sander that Hague has for sale. The high bid of \$8,100 made by the Roaring Brook Ranch, Lake Luzerne, was accepted. For \$100 Frank Swinton (the only bidder) bought a "steam jenny" the town no longer uses. A bid from Tarco Mfg. Co. to sell Hague a new 1986-7 1-ton de luxe truck (dump, sander, chassis, plow) for \$28,951.68 will be accepted after review by D. Belden and R. Frasier making sure all specifications are met.

Tom Ulasewicz, APA executive director, thanked Supervisor Bolton for his help in setting up a Joint Planning effort with the Warren County towns of Lake George, Bolton, Hague, Queensbury, Horicon, the Village of Lake George and the APA. These communities all administer land use programs approved by APA. In an additional communique we learned that \$40,000 has been made available for the administration of this program. High on the group's list of priorities is concern over our failing water quality brought about by our failing septic systems. Soil conditions will be assessed by the USDA Soil Conservation Service and new soil maps will be made available to the basin communities. Information will be made available to the public and the towns more quickly and efficiently with the installation of computers in the agency's office in Lake George and in the Warren County Office of Planning and Community Development.

Our state equalization and assessment rate has gone down from 46.49% in 1986 to 42.28% for 1987. This is about a 4% decrease.

Furnace tank installation to wait for sand to be stockpiled. The wood boiler at the town shed has been enclosed and a change in wiring has been made to correct problems. The highway auction netted \$255. Anyone wanting barrels of sand for winter use please contact town shed NOW. Barrels are scarce. (See p. 2).

The 5-year plan for our town dock is under way with repair of understructure. Two Christmas trees have been planted, one at the intersection and one at Chamber of Commerce building.

In unfinished business Supervisor Bolton has sent the Van Buren Bay ordinance (5 mph) to Bill Hennessey, chairman of Lake George Park Commission, for comments and approval. A meeting was scheduled with the Ticonderoga school officials to discuss possible return of two properties in Hague, an area adjacent to town shed and the ball field.

Several items of new business included a decision on junk automobiles. A resolution was passed to give full time employees three extra vacation days each year beginning in 1987 as opposed to dollar increase.

Hague's new zoning ordinance has been approved by the Warren County Planning Board and the APA.

Warren County committee reports tell us that a letter of credit for our community grant program has been received. County grant of \$81,000 for millfoil has been postponed while we wait for an environmental impact study. Resource Recovery Plant in Fort Edward has been approved.

Lake George Association resolution passed to approach ENCON about a change in law which covers dispersal of sewage in Lake George Basin.

Weed control expert Dr. Boylon, (R.P.I.), will be asked to provide his services to the county in 1987...GL

At a special meeting of the Town Board on November 6 the budget was discussed. There were no objections and the budget was passed unanimously. Town tax has been cut, but county tax and special district taxes are increased.

ZONING BOARD OF APPEALS 10/23/86

James Ward (Ward's Marina) was present at the Oct. 23 meeting of the Zoning Board of Appeals to discuss the resolution passed unanimously at their Sept. 28 meeting. This resolution "endorsed and supported the actions of the Zoning Administrator set forth in Notice of Violation April 18, 1986 which orders removal of structure for which no land use permit has been issued."

The town of Hague has zoning regulations that have no bearing on those of other governmental agencies (ENCON, etc.) and must be adhered to. It is recommended whenever planning to build, adding on, or tearing down or changing in any way a structure, a visit to the zoning administrator can save you problems in the future and keep you abreast of our zoning regulations. These regulations are continually being updated.

Mr. Richard Feibusch has been appointed to the Zoning Board of Appeals to replace Everett Lee who has resigned. Next regular meeting has been changed to November 20 because of Thanksgiving holiday...GL

LAST CHANCE!!!

For a limited time only, the town of Hague will truck your "junk car(s)" off your property FREE and you will be able to comply with the town's ordinance which prohibits junk cars. This is a "ONE TIME ONLY" deal and when the time period is over, you must haul your cars away at your own expense. The Town Board intends to enforce the ordinance and hopes that this good-will gesture will get everyone off on the right track...djh

HAGUE PLANNING BOARD 11/6/86

7 PM the public hearing re: two lot minor subdivision of property owned by Pamela A. Peterson was held. The property is located on Rt. 8 and is Section 1, Block 1 lot 3 on the Hague tax maps. Alison Craig made the presentation for Mrs. Peterson who was unable to attend. Adjoining neighbors, Mr. & Mrs. Kostides appeared and requested that as a matter of public record they had no objections. Noone spoke for or against the proposed subdivision. The public hearing was adjourned.

The regular monthly meeting opened at the prescribed time at 7:30 PM with all members present.

The Board approved the minor subdivision of Mrs. Peterson with the condition that off street parking would be provided for the lot containing 1.3 acres.

Rolf Ronning, on behalf of Frank and Rosemary Carney, requested a zoning map change for the Carney's "Snug Harbor Cottages" property which is presently zoned Resource Conservation which requires 40 acre minimum lot size, to TR 1 which requires 1.1 acres per principal residence. Lake front property adjoining the Carney property to the north is presently zoned TR 1. The Board is to investigate why the zoning map shows the Carney lakefront property in Resource Conservation instead of TR-1.

Bill Morgan, of Morgan Marine, requested permission to add a 25' x 40' addition to an existing building so that he can increase his capacity to construct new Hacker Craft boats. Presently, 31% of his property is covered by structures and the maximum square footage of land that may be covered by structures in a residential zone (TR-1) is 30%. The Board advised Mr. Morgan to take his request to the Zoning Board of Appeals for a variance.

Bob Katzman, developer of "Hague Commons" (formerly Locust Inn), requested permission to construct an 80' x 24' 8-car garage. One garage space would be allocated for each town house owner for summertime storage and to house boats in the winter. The proposed garages would be constructed parallel to the Hague brook in back of Locust Inn. A decision on this matter was postponed until the January 1987 meeting.

A discussion was held concerning property owned by Clifton Frasier, Hollow Road. Mr. Frasier gave a lot to his daughter this past summer under Section 8.020 Gift, Devises and Inheritance. Said lot has since been sold. Article 8, Section 8.020 permits individuals who owned a parcel of land as of April, 1973 when the Adirondack Park Law became effective, to give lots, parcels or sites to members of their family by bona fide gift that don't meet the overall intensity guidelines or the minimum lot size, for the purpose of constructing a single family dwelling or mobile home on any such lot, parcel or site. ALL OTHER PERMIT REQUIREMENTS AND RESTRICTIONS OF THIS ORDINANCE STILL APPLY.

Mr. Clifton Frasier requested a building permit for his new home, already under construction on his 40 acre parcel...AC.

HAGUE TOWN COURT

10/15/86 - Pat Moore, Ticonderoga, charged with failure to keep right. Fined \$25 plus \$10 surcharge. He was also charged with criminal possession of weapon 4th degree - postponed for one week.

Richard Slater, Ticonderoga pleaded guilty to speeding. Fined \$35 plus \$10 surcharge.

Tim May charged with unregistered motor cycle; no insurance, no inspection; speeding, aggravated unlicensed operation, alcohol related. Postponed for 2 weeks.

Small claims court - Frank Koenig, plaintiff, charged that Charles Moses cut wood on the Robert Akins property which was not supposed to have been cut and charged more than amount previously agreed upon. Judge ruled in favor of the plaintiff - \$500.

10/22/86 - Two men, one from CT and one from Port Henry charged with speeding. Both fined \$35 plus \$10 surcharge.

Curt Jordon, Hague, was charged with violating minimum speed regulations. His request to be tried in another court was denied. He is to appear Nov. 19.

10/19/86 - Jennie Lou Decker charged with having an uninspected vehicle and improper directional signals. Has not yet appeared.

11/5/86 - Mr. Kedmenec, FL, charged with operating with suspended license and speeding. Fined \$50 for each offense and \$10 surcharge.

Mr. Jaloneck, Ticonderoga, charged with driving left of pavement markers and DWI. Adjourned until 11/22 in order to confer with DA

Marlene Stricker, Ticonderoga, driving left of pavement markers. Plead guilty by mail and paid a \$20 fine plus \$10 surcharge.

11/12/86 - Robert LaBounty charged with unsafe backing. Fined \$25 plus \$10 surcharge.

Ruth Tefft charged with speeding - fined \$10 plus \$10.

RETRACTION - It was incorrectly stated in October issue of The Hague Chronicle that harassment charges had been dropped against Joyce Monroe. We regret the error.

PROPOSED BOCES ADDITION

On Monday, November 24, the voters of this area will be given an opportunity to vote for or against the proposed building addition for special education at the John Harrold Educational Center in Plattsburgh. Voting for the Ticonderoga Central School District residents on the proposed \$3,600,000., 23 classroom addition, will be on Monday, November 24 from 3 PM to 9 PM in the Ticonderoga High School Lobby.

HAGUE HISTORICAL SOCIETY

ART EXHIBIT

Fran (Mrs. Bernard) Clifton gave a very fine talk to forty-one members and guests of the Hague Historical Society at their meeting, Nov. 13 in the Hague Baptist Church Annex. At this same meeting, Dottie Henry made a presentation of a model boat, "The William Caldwell", the earliest steam boat on Lake George. This model was the gift of Mrs. Louis Brock to the Historical Society. President Cole and Vice-president Bill Glenn also reminded members that Mig and Jim Broderick have made a gift of the Warren County Atlas of 1816 to the society.

Clifton West, Hague historian, pointed out that he has a varied collection of local artifacts and photographs and volunteered to bring portable items for show at future meetings. He also recounted several incidents of visitors who have come seeking ancestral lore.

Fran Clifton's talk in both content and presentation was filled with fact and humor. At the beginning she pointed to a large table display of photos, records, post cards, letters, maps, and books which amplify her report. She called our attention to the very first telegram ever received in Hague (1887) - a confirmation of an order for potatoes sent by Peck in NYC to the Cliftons.

Mrs. Clifton told how, as a young girl in 1939 she applied for a summer job as waitress at the Rogers Rock Hotel. The interview was conducted by a formidable lady in gray chiffon. The hotel itself, built in 1874 by J.Q.A. Treadway, was an elegant structure and the atmosphere throughout was formal, including afternoon teas. This beautiful old structure was razed in 1948.

Fran went on to describe the original Island Harbor House, a large lovely structure on 9N on the shore of the lake. It burned down in 1933. Fortunately, Mrs. Mattie Clifton (Bernard's mother) had bought Colonel Mann's home which had been moved from Waltonian Island to the point and it was adapted to hotel use and became the Island Harbor House hotel. It is presently the home of the Lawrence family.

Her talk included twenty plus hotels in the Hague area from Sabbath Day Point House, Uncas, Silver Bay Association, Cape Cod Village, Arcady Country Club, Rising House and smaller houses such as the West Farm, Bartlett House, Hiwatha House, etc.

It was a lively and descriptive report that kept the attention of everyone present.

During the social period delicious refreshments were provided by Lolly and Jack Armes.

On December 11 Bea and Bob Cole are hosts at their Silver Bay home to members and guests for Christmas treats and Show and Tell of collectibles brought by those attending. ...BDG

An exhibit, Storyed Shores: Lake George in Legend and History. Now at the N.Y. Historical Society, New York City, on Central Park West at 77th St. until January 11, 1987.

NATURE TRAIL OPENING

The Ticonderoga Central School District held its official nature trail opening ceremony on Monday, October 20. Dr. Harry Frederick, Superintendent of Schools, opened the program with welcoming remarks and introduction of guests. Mrs. Nancy Reale, representing the Board of Education followed with a message highlighting the school's efforts in promoting outdoor education and its positive impact upon students.

The nature trail is open to the public. Anyone wishing to use an "Interpretive Nature Trail Guide" may obtain one at the offices of the Elementary or Middle Schools. The trail is located behind the Elementary-Middle School gym. It was funded in part by International Paper Company Foundation.

GREAT AMERICAN SMOKEOUT NOVEMBER 20

DID YOU KNOW THAT:

The risk of developing lung cancer is 10 times greater for smokers than for nonsmokers.

Lung cancer is largely a preventable disease. It is estimated that 83% of the cases of lung cancer could be avoided if individuals never took up smoking.

About 54 million Americans still smoke. Eighty-five percent of smokers would like to quit, surveys show, and a great many have tried to quit at least once.

For most people, quitting the smoking habit "cold turkey" seems to work better than a gradual tapering off, according to the experience of many ex-smokers.

SO COME ON - MAKE NOVEMBER 20 THE FIRST DAY OF THE REST OF YOUR LIFE. YOU'LL NEVER REGRET IT.

THE PASSING OF AN ERA

We wish to announce the sale of By-Water Cabins, Inc. to Mr. James R. Leach of Albany, NY as of November 6, 1986.

We wish to thank all our many friends and customers of the past 38-years.....Louella and "Mac" Grimes.

**HAPPY
THANKSGIVING**

11/86

YOTING RESULTS IN HAGUE

Though Governor Cuomo won an overwhelming majority in the state he did not fare as well in Hague. 145 cast their votes for him while 170 for Republican candidate O'Rourke and 8 for Right to Life Candidate Denis E. Dillon. Neil Kelleher, assemblyman, with no opposition, got 257 votes, the highest single vote getter. Gerald Solomon, Republican representative polled 235 and Ronald Stafford, State Senator, 255. 22 of Mr. Kelleher's votes were on the Right to Life ticket, as were 9 of Solomon's. D'Amato won handily with a total of 243 votes.

DRG'S AT MOSES-LUDINGTON HOSPITAL

There have been many different attempts by the government and by hospitals themselves to keep hospital costs manageable for all patients. The DRG system is the most recent. Essentially, it takes a national view of the costs of hospital care in order to determine how much a hospital gets paid towards the actual expense of caring for you and all other Medicare patients. Eventually the DRG system will apply to all hospital patients.

HOW DOES THE SYSTEM WORK? The letters D.R.G. stand for Diagnostic Related Group. There are separate DRG's for pneumonia, for eye problems, for broken bones - for 468 different categories of illnesses and injuries. The DRG system assumes that everyone with a similar medical problem will use about the same amount of medical resources, and that therefore the care for those similar problems should cost about the same amount. Once your physician has diagnosed your medical problem, the information is fed into a computer and a DRG code assigned. Based on that code, the amount that will be paid to Moses-Ludington Hospital for your care is determined. Your portion of the bill, as a Medicare patient, will not change.

WHAT DOES THIS MEAN TO YOU? You are unique. There is nobody else exactly like you, and when you need Moses-Ludington Hospital's services, be assured that we want to take care of you as an individual. That's how it has always been here at Moses-Ludington Hospital, and we do not intend to change. In figuring out your bill, however, we need to find out how much alike you are to all other people nationwide who have had the same kind of injury or illness you have now.

If you have a certain type of pneumonia, for example, we will be concerned about your pneumonia. At the same time, all others who have had similar pneumonia in the past year will also concern us, because Moses-Ludington Hospital will be paid for your care based on an average of what it cost to care for them when they were sick.

As a Moses-Ludington Hospital patient, you can be sure that our standards will not change. Superior care at the lowest possible cost is a Moses-Ludington Hospital tradition.

If the DRG system is not clearly explained or you have additional questions, please call Ellen Ellor, Social Services at 585-2831.....CAF, Moses Ludington Hospital.

APA ALLOCATES LOCAL PLANNING FUNDS

Allocation of \$150,000 in 1986-87 Local Planning Assistance Funds by the Adirondack Park Agency to support activities in 29 towns and villages was announced October 31 by Executive Director Thomas A. Ulasewicz.

"Interest end action in planning at the local level continues to be a vital part of providing direction to our region." Ulasewicz said. "Eleven of the 12 communities with Agency-approved programs requested support. The Agency is allocating approximately 25 percent of the local assistance funds to them.

"Roughly one-fifth of the funds, \$29,000, will provide financial support to towns and villages for basic planning efforts, such as drafting a long range plan, subdivision regulations or site plan review laws," Ulasewicz said.

Hague will receive \$4,000 as its share.

The monthly service charge on electronic alert systems for people participating in an emergency response system wearing a device that can activate a home monitor without connection to the telephone line, will no longer be required to pay any locality mileage charges. Call the number shown on your home phone bill and give the representative the name and telephone number of your emergency response center.

ATTENTION YOUNG MALES

Young men approaching age 18 should be aware that Federal Student-aid and Job-training benefits may be denied those who fail to register with Selective Service.

For more information call 1-800-621-5388.

LET US GIVE THANKS FOR A BOUNTY OF PEOPLE

For children who are our second planting, and, though they grow like weeds and the wind too soon blows them away, may they forgive us our cultivation and fondly remember where their roots are.

For generous friends...with hearts...and smiles as bright as their blossoms.

For feisty friends as tart as apples.

For continuous friends, who, like scallions and cucumbers, keep reminding us that we've had them.

For crotchety friends, as sour as rhubarb and as indestructible.—Max Coots

SOUNDINGS

BORN - A boy, Joshua Robert, to Scott and Alice Patchett W. Milford, NJ, on October 23. Grandparents are Mr. & Mrs. Robert Patchett, Trout House Village, Hague.

BORN - A boy, Wyatt Barnett, to Pam and Myles Peterson of Berlin, MA and Hague, on October 29 in Worcester. Grandparents are Jack and Dolly Kennedy, Hague.

MARRIED - Britton Muldoon, daughter of Evert and Georgina Lindquist, Hague, to Richard Barta, Long Beach, CA on October 11 in Palos Verdes, CA.

MARRIED - Jerome F. Holub, son of Mr. & Mrs. Jerome F. Holub, Berkley Heights, NJ to Robin K. Meck, daughter of Mr. & Mrs. Gerald Meck of Mertstown, PA. on October 25 in Tipton, PA. Mr. Holub is the grandson of Mr. & Mrs. Jack Kennedy, Hague.

MR. & MRS. GEORGE HANNA, Sabbath Day Point will celebrate their Golden Wedding (50th) Anniversary on November 21, 1986. CONGRATULATIONS.

DIED - Josephine C. Glading, 95, long time summer resident of Hague, in Laconia, NH on October 13. Her son, John is a resident of Hague.

DIED - Ruth Weismann Hunt, Hague and Miami, FL, on October 25 in North Miami. She is survived by two sons and a sister, Jane Waitt of Sabbath Day Point and CT.

ANNA BUSICK, LISA COBB and JULIE COOKE were among the eighth grade students who have excelled in art throughout their school years and were selected for the Studio in Art class, a high school course offered on the 8th grade level.

ROSEMARIE SERDINSKY has opened a showroom, Adirondack Floral Decor, on Montcalm St. across from the Firehouse in Ticonderoga. She has been operating Rosie's Posies in Hague and is expanding her business to include plush toys, doll houses and furniture, wall decor, silk and dried floral arrangements and many gift ideas. Stop in and say hello.

Delegating work works providing the one delegating works too.Robert Half

Omitted from the roster of participants in fall sports at the Ticonderoga High School were ALISON PORTER, a JY cheerleader and JANET AND AMY ROSS, members of the Gymnastics Team. We are sorry for this omission.

HONORABLE HARVEY E. YAW'S TWO STORIES

When congratulated on his latest honor - a plaque from the Town Board in appreciation of his years of service as our Town Justice - Harvey Yaw told us his next project, at age 83 will be two books: one about his "62 years and 3 months" of married life with Lillian Becker Yaw, formerly of Morgan St., Bennington, VT; and one about his 12 years experience as Town Justice in Hague.

He is working on the marriage story first. Asked if he would weave the two together, he said "no. I always kept them completely separate."

For a sample of Harvey's crisp writing style, see his synopsis in August '85 Chronicle, p.2....HYS

FIRST MARKING PERIOD HONOR ROLL

The following students from Hague have been listed on the Honor Roll for Ticonderoga High School's first marking period: First Honors: RENEE LAROCK; JASON PLASS

Second Honors: AMI BUSICK, CHERYL COBB, MICHELLE GOETSCH, JOHN HAYES, EDWARD MAY, AMY MCKEE, JANET ROSS, AMBER STULL, BETHANY WELLS.

The Hague Chronicle Staff congratulates all of these students in their achievements. djh

BAPTIST SILVER TEA

On November 21 from 1 - 4 PM, the Baptist women will hold their annual SILVER TEA. This is one of the social events of the season in the town of Hague and is one of the major fund raisers for the women's organization. Tea and cookies will be served. Featured will be crafts, balsam decorations, tree trimmings and baked goods.

CHRISTMAS SALE

St. Mary's Auxiliary is holding their annual Christmas "GIFTS AND GOODIES" Sale on Saturday, December 6, 1986 from 10:00 AM to 2:00 PM in St. Mary's School. There will be tables of crafts, white elephant, baked goods, toys, religious articles and a "fun-filled cake-walk. If anyone wishes to special order any religious items, please contact Joyce Mjeatvedt, 585-3347 or Nancy Barron, 585-7354.

CALENDAR OF EVENTS - NOVEMBER and DECEMBER

NOVEMBER

- 18 Board of Education - 7:30 PM - THS
- 19 Planetarium Show at THS - 7:30 PM - FALL
STAR GAZERS SHOW
