Performer Agreement Instructions

Tastes & Talents 2017

October 14, 2017

THANK YOU for your interest in performing during Tastes & Talents. We look forward to working with our performers each year! Please contact our office if you have any questions about the information below.

Completing this form does NOT guarantee your spot during Tastes & Talents.

There are only 5 locations open to performances, these spots will be filled on a first come first serve basis, unless the Garnett Area Chamber of Commerce Executive Director chooses to make an exemption for the following reasons: New Acts, Poor Past Experience with a performer or scheduling conflicts.

All performers are expected to be at their designated performance location at least 30 minutes prior to the start of the event.

All performers are expected to stay at their performance location until the event has officially ended, staff will notify the acts once the event has ended.

If a performer would like to change their registered act (ex: Artist would like to paint instead of sketch) they must notify the GACC office NO LATER than September 29, 2017.

GACC will provide bottled water for the performers and performers are welcome to bring their own food/drink with them to the event.

Performers are also welcome to sample the food dishes along with the event participants. We do ask that performers refrain from drinking alcoholic beverages during their performance times.

If a performer does not abide by these instructions, they will be asked to leave the event and they will not be considered for future events.
