### Standard Features

**Water Resistant Floors** All sink base and sink base vanity cabinet floorings are powder coated for water resistance and extra durability.

**Red Oak Hardwood** face frames are 3/4" thick and 1 1/2" wide kiln-dried hardwood. Frames are assembled under pressure with screws for maximum strength.

**Standard 1/2" Back and Sides** are upgradable to plywood construction.

**5/8" solid dovetail drawer** features four sided construction and captive 1/4" matching laminate bottom.

**Powder Coated Shelves** offer extra durability. High water, scratch, stain, and temperature resistances.

**6-way Adjustable Hinges** are self-closing and concealed within the cabinet door and frame.
