An attractive and well-made show heifer prospect that is living up to her sires name, this Bush's Unbelievable daughter is long bodied, wide topped, and big hipped yet feminine in her design. Lola E703 is a direct daughter of WK Lola 0383, the many time champion and top donor for Malson Angus in Idaho. We truly feel Lola E703 has all the attributes it takes to be very successful in the show ring at any level and then make a top donor in any program.

An absolute powerhouse female to lead off our consignment this year.

This female is definite donor quality, her mother served as a donor for us and was one of our very best females for many years. The Hope cow family is one of our best and this proven producer is sure to be one of the top cows to be offered for sale this fall.

Due 3/5/2018 to HA Cowboy Up, carrying a heifer calf.

This moderate Identity can really produce performance. A clean made female with excellent udder quality that brings home a big calf every fall no matter who she is mated too. Carrying a bull calf by Cowboy Up that is sure to be a highly valued performance stalwart.

Due 3/3/2018 to HA Cowboy Up, carrying a bull calf.

A top producing daughter of the uniquely bred Connealy Function, whose daughters have had a profound impact on our herd. They are very hard to part with as they cover all the bases needed for profitability.

Due 3/24/2018 to HA Cowboy Up, carrying a heifer calf.

Easily one of the most productive and valuable cows to ever be offered for sale by our ranch. This uniquely bred female is certainly worthy of being a donor cow. Her offspring are always at the very top of the calf crop and have been very well received on sale day. She is a proven producer of herd bulls and she could easily be carrying a big-time herd bull prospect.

Due 3/3/2018 to SAV Raindance, carrying a bull calf.

A big powerful Function daughter that really produces. She puts tremendous eye appeal and quality into her offspring. Safe to the rare and valuable Commotion, she could easily produce a dynamite April show heifer that could go on to be a uniquely bred donor cow.

Due 4/14/2018 to Brooking Commotion 4068, carrying a heifer calf.

Another excellent Equator 395M daughter that has long been admired for her overall quality. Carrying a bull calf by Commotion, this mating will produce a complete outcross pedigree, coupled with outstanding quality. A combination that is hard to find.

Due 3/24/2018 to Brooking Commotion 4068, carrying a bull calf.

This proven producer has long been one of my favorites on the ranch. Big bodied, long spined with excellent structural integrity, and top of the line eye appeal. Equator 395M daughters are the "keep you in business" kind of females that we all wish we had more of.

Due 3/24/2018 to SAV Raindance, carrying a heifer calf.

This Function daughter has long been appreciated for her ability to produce outstanding progeny. Her Stackline mother was one of the most productive cows identified in our herd. This cow is one that just gets it done every year and she could easily produce her most valuable calf to date this spring.

Due 4/16/2018 to Brooking Commotion 4068, carrying a heifer calf.

Welcome Angus Breeders,

If there's a sale that Angus producers wait for each year, it's undoubtedly the annual Pearls of the Prairie Angus Female Sale. The breeders at Anderson Angus, Hoffmann Angus, Nelson Angus, and Vollmer Angus continue to feature their very best genetics each year. Expect elite females — show heifer prospects and future foundation females that will be great additions to any herd. The Vollmer family is again offering 30 proven herd matrons, always a highlight.

Come with high expectations, you will not be disappointed. We will be at the sale site November 10th through sale day to assist you in any way possible. Contact us at your convenience, vernfrey55@gmail.com, or call me at 701-721-0344. You can also contact us through our website at FreyLivestockSales.com or on Facebook at freylivestock.

Sincerely,
Frey Livestock Sales & Service, Inc.
Vern & Corinne Frey
