Futures Worth Fighting For

With impressive patient outcomes that surpass national benchmarks, top-notch pediatric specialists, cutting-edge technology and child-friendly facilities, Valley Children's Healthcare continues to make a significant difference in improving treatment and access. We have significantly grown in virtually every service area since relocating to our Madera campus in 1998, and we keep looking to the future.

Generous community support such as yours will continue to help ensure our specialized pediatric care remains available in the Valley for generations to come.

La Visionaria Guild of Valley Children's Healthcare

We believe in the power of philanthropy to save lives. When you donate to La Visionaria Guild of Valley Children's Healthcare, your investment funds life-saving technology, advance clinical services, provide a safety net for children with little or no private medical insurance and create a healing environment designed to enrich the experience of patients and their families.

The Guilds are currently raising funds towards a goal of \$5 million for The Guild's Center for Community Health.

La Visionaria's Fall Affair – Cocktails for a Cause Presents "Suits & Stilettos"
