## Meals

If served at a Hospital, such as a Bar-B-Q, take credit for what the Auxiliary actually purchased and/or donated. If meals are served by the Auxiliary at the VFW Post, then use actual cost of meals eaten by the Patients. Example: ham dinner, total cost of groceries \$343.00, with 100 total people served, 20 were Patients. Cost of groceries divided by number of people served times number of Patients served equals credit. (\$343.00 divided by 100 served = \$3.43 x 20 patients = \$68.60 credit)

## Transportation

**\$.14 per mile. PER MEMBER, ROUND TRIP**

TOLLS-Bridge/Parking/Public Transportation/Roads

## Miscellaneous

Reasonable allowances will be given for anything that is not listed above. Explain under information.

If you are allowed (in your area) to donate articles not listed, include them on your Hospital Report at what you consider a fair price. The Grand Chairman and the Supreme District Commissioner will review and send me their comments. If there seems to be a disagreement, you will be notified. This also goes for SPECIAL shopping trips for Patients or large parties. Attach explanation for these hours and the same will be done.

Please use the Forms prepared for you in this section or on the web site. It will make your job a lot easier when it comes to reporting used clothing, books, and magazines.

We want each Auxiliary to have the same opportunity to obtain a Citation. These costs are an average across the country and the hours are what it should take an average person to do the project. We realize that some people can knit or crochet a lot faster than others, so we have tried to find a happy medium
