Your donations provide an opportunity to build a personal legacy while joining with others in helping to meet the emerging and evolving needs of Shoreview citizens.

We are fortunate to live in this remarkable suburban oasis. Building the Shoreview Community Foundation's endowment will support meaningful grants well into the future and provide long term community benefits. Visit <http://www.shoreviewcommunityfoundation.org/donate2.html> to learn more.

ADVISORY BOARD OPPORTUNITIES

Did you know SCF is an organization run entirely by volunteer Advisory Board Members? These individuals are asked to serve at least one three-year term but can serve two consecutive terms if so desired.

We are looking for additional Board Members, including Youth Board Members (high school age).

If you are interested in learning about SCF and possibly contributing as a Board Member, please send a brief summary of your work and community experience to: shoreviewcommunityfoundation@gmail.com.

Thanks to

for the donation of potato chips that we handed out during the Slice of Shoreview parade and the August 10th Concert in the Commons. You helped us spread the word about the Foundation!
