Thank you. UM is involved - Susanna Arias Morales (she was [is?] at UMH as a supervisor) and Stuart Herna (manager, at the Tumor Registry ofc - x6-5124 At Dominion Towers). I was at UMH in an office near Morales but Herna was my supervisor. Morales is absolutely complicit (I believe still even if she is no longer at UM). They were getting orders from above- I am sure their bosses, doctors Aaron Wolfson and head of Sylvester Steven Nimer, have knowledge, likely more than that. I don't see how they cannot. Morales knows a lot. I believe she may have communicated with Flamm (FIU advisor years ago), although they should not even know each other. Anne Adelman was very elderly, but extremely vengeful and a jealous person. She was apparently having an affair with an older, married UM MD/Admin at SCCC. She was buddies with Morales, and I believe involved - she is/was extremely wealthy. She said she continued to work because UM would pay for her funeral. She was laid off around 3009 I believe - likely still speaks to Morales if alive.

If possible, if they are not forthcoming if you ask them -- check their phone and email contacts. These are murders - as I write - the circumstances are too coincidental, too often - to be chance alone. I mentioned the deaths are high-level lethality - they appear natural using chemicals or biologics. More at my site and in my books. They have Tables of Contents. Dr. Cosmides was deemed an unknown cause of death - his was from a biologic that was ingested in food, and one rarely wakes up again hours after falling asleep. He was extremely healthy, and a partial autopsy was negative. I mentioned him and Manuel Torres-Salichs were NOT associated with UM, now UM is affiliated with both practices. Salichs developed a sudden cancer, bladder apparently. UM had asked him to have privilege's but he had refused. More on this in my book Humanity's Abyss - see also the Hadassah letter there and concerns for my father's suspicious death. Flamm, from Tampa FWC, was at that cemetery on the 1 yr anniversary. As mom (and her aide) and I were leaving he made himself apparent and quickly left before I could get the car license plate. Curious who he is communicating with. Maybe he is the one in my computer, and/or listening in on calls? More in the follow-up to Det. Torres.

Thank you, *Judy*
