PURPOSE
The musical freestyle performance should clearly show the unity between rider and horse as well as harmony in all the movements and transitions. In addition to the requirements of the Basic Level, the horse at Level 1 now accepts more weight toward the hindquarters. The horse moves with more of an uphill tendency, lengthened gaits; and reliably accepts contact. A greater degree of suppleness, balance, straightness and self-carriage is required.

All jog work may be ridden sitting or rising unless stated.

ARENA SIZE & RIDE TIME
ARENA SIZE: Standard (20x60)
RIDE TIME: Maximum time allowed 6:00 <i>(Time begins when the horse moves forward after the competitor's halt and salute, and ends with the final halt and salute)</i>
