31 <b>Soup &amp; Salad after Service</b>	God Is There is only One Presence and One Power in the universe and in me, God the good omnipotent.	I Am I was created with an inherent divinity referred to as the Christ. My very essence is of God, and I am, therefore, inherently good and always connected. I Am the Perfect Child of God.	I Create It As a human being, I create my own experience through the activity of my thoughts. I formulate my perceptions and choose my responses. Life is a reflection of my inward condition.	I Pray Through prayer and meditation, I create an intimate relationship with God. This heightened connection with God-Mind brings forth wisdom, healing, prosperity and all my good. Prayer does not change God; it changes me.	I Live it Knowing and understanding the laws of these Universal Truth Principles are not enough, I must also live the Truth as I understand it. Through living it, I teach it.	

Note: Dec 31<sup>st</sup>, "The Burning Bowl," will be our last Service at UCH followed by Soup & Salad.
