

TRI-STAR CATERING

YOUR SAFETY IS OUR PRIORITY

OUR SUPPLIERS

We choose our vendors based on freshness, source, and sustainability. We source our foods from only FDA approved sources..

OUR KITCHEN

our kitchen is inspected by Chicago's Department of Health to ensure a safe environment for the production of your meals.

OUR KITCHEN STAFF

Every kitchen employee is certified by the State of Illinois for sanitation and food handling

OUR DRIVERS

Our drivers are also food handler certified and follow strict sanitation protocols to get your food to you safely and on time.

OUR TRUCKS

Our fleet of trucks are maintained for clean, safe transport of your meals. Your food never travels in a public vehicle.

YOUR OFFICE

Once we have arrived to your office, our driver will set everything up for you and your staff to enjoy a delicious, healthy meal.

LIMITED PUBLIC EXPOSURE

Throughout the entire process, our staff ensures that your meals are transported in sealed containers limiting any opportunity for public exposure.

From our house to yours, we keep you safe
