Keep Calm and Listen to a Fifth Grader

Dear Future Fifth Graders:

All the hard questions are what make you smarter so try your best.

-Lily

You have five grades younger than you! Always be an awesome example to all of your younger grades.

-Libby

When you first get into 5th grade, you need to come in, prepared and ready to learn.

- Starr

If you want to have a great fifth grade year always listen and follow directions.

-Luke

There will be a lot of tests in 5th grade, but I think you can pass them.

-Colby

Make yourself do more than you expected.

-David

The key to passing 5th grade is study, study, study.

-Connor

Always listen and follow directions.

- Luke

Always turn in your homework, you don't want a missing homework sheet.

-La'Bront'e

Be responsible and keep up with your papers if you want to stay on track.

-Sawyer
