Required for children age 11-12 to come to the pool alone

Member # _____ Family Name _____

I understand that my child must also pass a swim test in order to use the pool alone.

Name: _____

Name: _____

Name: _____

My child is _____ years old and has my permission to come to the pool alone.

(age 11-12 only)

I accept all liability for my children's action while at the pool. I understand that passing the swim test does not guarantee my child is competent to swim on their own but rather provides some assurances of their skill level at the time of testing. I attest that my child's swimming skill level is strong enough to come to the pool and swim alone.
