

**SUNDAY, MARCH 26 AT 3PM**

**BETH JUDAH WILDWOOD SOCIAL HALL**

WOMEN'S HISTORY MONTH is a celebration of women's contributions to history, culture and society and has been observed annually in the month of March in the United States since 1987. It is a chance to recognize women's varied, and often under-recognized accomplishments through out history. To contribute to observing this event, Beth Judah will host Pary Tell, President of PRESERVING THE WILDWOODS: A Community Alliance, who will present a program titled "The History of Women's Suffrage in New Jersey."

Some New Jersey women were granted the right to vote under the New Jersey Constitution of 1776, but it was taken away in 1807, not to be returned until the passage of the 19<sup>th</sup> Amendment in 1920. In a time when a wave of laws limiting the freedom to vote is sweeping across the country, learn about the courageous New Jersey women, some famous, some not so, who continued to fight for the rights of women in the 19<sup>th</sup> and early 20<sup>th</sup> centuries.

This program is free and open to the public. Donations to help preserve our historic building are always gratefully accepted. Please join us and bring you family and friends. RSVP to [bethjudahtemple@yahoo.com](mailto:bethjudahtemple@yahoo.com) or 609-522-7541
