MANUFACTURERS REPRESENTATIVE NEW ENGLAND STATES

WATER TREATMENT EQUIPMENT

GE Water & Process Technologies/Zenon

Ultrafiltration Membrane Technology, Pressure and Suction Driven

Leopold/Xylem

DAF Technology, Underdrains, Filtration

Wedeco/Xylem

UV Systems – Low & Medium Pressure, Ozone Generation Equipment

Johnson Screens

Intake Screen, Triton Underdrains

AWC Water Solutions

Complete Packaged Systems for Water and Wastewater, Plug and Play Pretreatment and Filtration Equipment.

IXOM Watercare

MIEX Ion Exchange, TOC/DOC Removal Process

Atlantium Technologies

UV Disinfection Systems – 4 Log

Norit America

Carbon Filter Media

WASTEWATER PROCESS EQUIPMENT

Aqua-Aerobic Systems

SBR Technology, Aerators, Mixers
Cloth Media Filtration with 5 & 10 Micron Cloth Media
AquaDisk & AquaDiamond

GE Water & Process Technologies

Zenon - MBR - Membrane Bioreactor Technology

Monsal – Advanced Anaerobic Digestion, Biowaste and Biosolids Solutions

Varec Biogas

Biogas Safety & Handling Equipment, Gas Conditioning Systems, Gas Flares, Drip Traps

Leopold/Xylem

Tertiary Filtration & Denitrification Filters

Robuschi

Robox Screw Compressor, Robox Evolution PD Blower Packages

Lone Star Blower

Integrally Geared Variable Vane Turbo Blowers and Process Control Systems

Binder

Aeration Jet Control Valve provides minimal pressure drop, reduces blower energy & increases aeration control

AWC Water Solutions

Plug and Play Biological Systems, Pretreatment Equipment

Komline Sanderson

Belt Press, Sludge Driers, Plunger Pumps

EnviroMix

Energy Efficient Large Bubble Mixing Systems

Carbtrol

Carbon Odor Control Systems

Ovivo/Eimco/Bracket Green

Clarifiers & Drives, Carrousel BNR Oxidation Ditch, Anaerobic Digestion-Gas Holder Membranes, Digester Mixing-Linear Motion Mixer, Gas Mixing, Covers-Fixed, Floating & Membrane, Headworks Equipment, Fine Screens, Jeta Grit, Bosker CSO Screen, Bracket Green Perforated Plate

Wedeco/Xylem

UV Systems, Horizontal & Vertical Configurations, Ozone Generation Equipment, Advanced Oxidation Processes

UltraTech

UV Systems – Vertical Configuration and Closed Vessels

Hydro-Dyne Engineering

Headworks Screens, Washpactor, Grit Systems

Dutchland Inc.

Precast Post-Tensioned Concrete Structures, Round & Rectangular Tanks & Covers

Guardian Environmental Products

Troll Collector System – Rectangular Chain and Flight
Primary Clarifier Equipment

Aerostrip

Highest Efficiency Fine Bubble Diffusers

Epic International

Screw Pumps, New Systems & Replacements

Mixtec

Mixing Systems, Anoxic & Aerobic Mixing

Excelsior Blower Systems

PD and Screw Blower Packages

PROCESS CONTROL EQUIPMENT

REXA Electraulic Valve Actuation

Reliable, Low Maintenance, Precision Positioning
Rotary, Linear Actuators and Drives

ECO2

Speece Cone oxygen saturation system for odor control and corrosion prevention

OpenChannelFlow

Fiberglass Flumes, Weirs, Specialty Manholes, Shelters & Enclosures

Rodney Hunt

Cast Iron & Fabricated Gates

Crispin Valve

Air Release, Gate, Check, Butterfly and Plug Valves
