

CDDA 2020 BONE STOCK POINT SERIES

OVERVIEW

CDDA is proud to bring the **2020 80's & Newer - Full Size - Bone Stock Points Series** to you. The Points Series will consist of four regions: North, South, East and West. Each driver may only use two shows from each region to qualify for the finals. The finals will be held at the Salina Speedway CDDA Crashtoberfest show in October. Each winner of their region will receive prize money and the overall champion will receive a bonus prize. Drivers may qualify in more than one region but may not carry points over from region to region. The overall champion will be determined by adding their total regional points to the points earned at the final, which will be a double points show.

SUMMARY

CDDA Bone Stock Rules will apply to all Regional and Championship shows. The finals will consist of a King of the Ring style (one heat) with a small pit stop halfway through. You'll be allowed to change tires and clear sheet metal, but will not be able to remove your car from the arena.

Keep in mind that this is an **80's & Newer - Full Size - Bone Stock Championship**. All Bone Stock rules & claims apply. For a complete list of rules, visit www.cddademo.com.

The point structure is very tight and it is very possible for somebody to come into the finals at 6th place in their region and win the overall Championship.

In the event of a tie in total points (Regional and Championship combined), the highest placing finisher at the Championship will be declared the winner of the Bone Stock Point Series.

Let's have fun and continue to put Demolition Derbies back on the map with large car counts and great competitors!
