DJ RUFIO'S LARGER THAN LIFE PERSONALITY AND PASSION FOR MUSIC HAVE PUT HIM IN HIGH DEMAND IN THE SAN FRANCISCO BAY AREA.

With over a decade behind the decks, Rufio has headlined sets in SF, LA and NYC, played top tier clubs, festivals, competed in DJ battles, weddings with celebrity guests as well as private events with thousands in attendance—Rufio has done it all.

Rufio doesn't cut corners, he's self-taught with his own unique mixing and style. Rocking on two Technics turntables and programming his sets live based on each venue and crowd, Rufio sets himself apart from the competition.

Rufio has solidified his space as a staple in the Bay Area DJ scene and shows no signs of slowing down. Next up for him are more national and international stages.
