

- Check-In begins @ 7am- show starts @ 8am
- Late entries will be last in the draw for herd classes and first in draw arena classes- FRESH cattle are not guaranteed to late entries.
- Classes will be run in the order of entry blank (exceptions Ranch Riding/Trail)
- Ranch Riding will run from 8 am until 10am -- Trail 10 am until 12 pm. Times will be adjusted for the larger shows. Ranch Riding and Trail will have no drawn order (ride at will)-to keep show moving please understand you may need to show Ranch Riding before your Herd class to fit in Ranch Riding time block. PLEASE PLAN ACCORDINGLY. We don't want to have to put anyone on the two minute call clock. Ranch Riding will be held in the large arena concurrent to herd works in cutting pen- - Cutting pen takes precedence. Trail will run concurrent to big arena classes- large arena takes precedence. Same as above- plan your trail ride to be within Trail time block.
