DESCRIPTION: Distinctive, great looking 1962 Ben Pearson Pinto. This bow has been professionally refinished. There were several long stress lines in the limbs that were filled with Loctite. The re-finish over them is visible from up close (see pic on last page). Otherwise: No delamination; no cracks; limbs are straight. Overlay tips are in great condition. NO drilled holes. No stress lines or crazing. A few other scratches and scuffs. This is a really nice bow in excellent condition for its age.
