

THE HAGUE CHRONICLE

VOLUME 15 No. 7

JULY 1986

HAGUE STUDENTS GRADUATE

The following students from Hague graduated on June 28 from Ticonderoga High School:

PAUL BELDEN
TARA COLE
JAY DENNO
DANIEL DENTON
WENDY DUNSMORE
MELANIE FISH
NOELLE FORT
CATHERINE MEOLA
DOUGLAS OLCOTT
JEFFREY PLASS
TODD PORTER

* LANA ROSS - National Honor Society
BONNIE SWINTON
TAMMY YAW

Hague students were awarded a number of prizes at the ceremony. The Ticonderoga Federal Credit Union Prize in Bookkeeping went to NOELLE FORT. CATHERINE MEOLA, and LANA ROSS were awarded Harvey H. Moses Educational awards. The Stephen J. Potter Educational Scholarship was awarded to Tammy Yaw. Mary C. Beste Memorial Scholarship Award, which is given to Hague students who plan to further their education was given to PAUL BELDEN who will attend Vermont Technical College; TARA COLE, Casenovia College; NOELLE FORT, Fisher Jr. College; CATHERINE MEOLA, Northland College; DOUGLAS OLCOTT, SUNY - Cobleskill; JEFFREY PLASS, SUNY - Albany, LANA ROSS, College of St. Rose; BONNIE SWINTON, Adirondack Community College; TAMMY YAW, SUNY - Plattsburgh.

The Emma S. Ferguson Award sponsored by the Fort Ticonderoga Chapter No. 442 Order of the Eastern Star for Outstanding Achievement at the Yandon Dillon Education Center, was awarded to TODD PORTER.

The Uptown Dancers Award for Excellence in vocal music - TAMMY YAW.

The staff of THE HAGUE CHRONICLE congratulates all of our Hague graduates. We wish them well in whatever they undertake.

The parents of these young people are also to be congratulated in encouraging their sons and daughters to "reach for the stars."..djh

BEACHSIDE VOTE DEFEATED

The people of Hague on Monday, July 7 voted 88 for and 268 against the proposal that the Town of Hague purchase the Beachside property for a sum of \$300,000.

ARTS FAIR WEEKEND

The 14th annual Chamber of Commerce Arts and Crafts Fair featuring a wide variety of handcrafted items, will be held on August 2 and 3 in our Town Park. Artisans will offer quilts, pillows, macrame, jewelry, stoneware, wooden articles and various types of paintings. Homebaked goods will be for sale. All items must be hand-made or home-baked.

Set-up tables and tarps are to be furnished by exhibitors. Display will be from 10 AM to 5 PM both days. Exhibitors will be assessed each day per site or for both days. Registration deadline is July 28. Applications are available by calling 543-6353.

The Fish and Game Club will be holding a Roast Beef Buffet on Saturday night, August 2 from 5 - 9 PM at the Beachside barbecue pit. Musical entertainment will be provided and clams will be available. Tickets are \$6.00 for adults and \$4.00 for children.

The Fish and Game Club food concession will be at the beach parking lot with hamburgers, hot dogs, coffee and soft drinks during the day on Saturday and Sunday.

The Arts Fair has always proved to be a big weekend in Hague. The Chamber of Commerce would like to welcome all residents, and of course our visitors, to attend the events scheduled for this weekend.

MOVIES IN THE PARK

- JULY 9 - Smokey
- 16 - The Deep
- 23 - Benji
- 30 - Forty Carrots

AUGUST

- 6 - Watership Down
- 13 - The Thief Who Came to Dinner
- 20 - Heroes
- 27 - Marooned

Movies start at dusk and are FREE. Bring blankets or chairs. In case of rain, movie will be shown the following day (Thursday).

Boy, 16 wants work for summer. Moving and any kind of yard work. Call Richard Myers, 585-7470

AMERICAN LEGION

The August meeting of Hague Post 1538 American Legion will be held at the Legion Home on Monday, August 4 at 8:00 PM, conducted by newly installed Commander Al Hanley. Non-member eligible veterans are welcome to attend. Refreshments served following the business meeting.

On Sunday, July 20, the Post will hold a mid-summer steak roast at the Legion Home, for members and guests. Appetizers, chips and dips, etc. available from 4:30 PM, with steak and trimmings served at 6:30 PM. Reservations appreciated to facilitate planning.

The Post also reminds all local residents that American flags are still available at reasonable prices and for orders or information call Ray Laundree or Bernie Clifton. Local Legionnaires would also like to take this opportunity to publicly thank the Hague Senior Citizens Club for the colorful window boxes now at the Legion Home...BAC

TAMMY YAW, daughter of Mr. & Mrs. Kenneth Yaw, Hague, recently participated in the NY State Student Senate in Albany. Tammy helped to develop a bill on the use of anti-biotics in animal feed.

ELIZABETH DEFRANCO, daughter of Mr & Mrs David DeFranco, Hague, was the winner in the Girls' age 9-12 Hotshot Basketball Competition. She will compete in Boston next fall.

"DIAMOND JUBILEE" SAILING EVENT

A major sailing event will take place in the waters adjacent to Hague on August 5, 6 and 7. About 50 International Star Class sailboats will be competing in the "Diamond Jubilee" North Eastern Lakes 12th District Championships hosted by the Northern Lake George Yacht Club. Thirteen yacht clubs and about 100 boats are included in this district with boats coming from Western N.Y., N.J., and N.H.

This is the 75th anniversary of the International Star Class Yacht Racing Association. The local club established its fleet 52 years ago - in 1934. It actively races 12 boats and is the second largest fleet in the district.

Hank Rowan of Silver Bay is the Regatta Chairman, and is responsible for the local club hosting this regatta, because of his excellent showing in the championship held last year at Greenwood Lake, NJ. The local club also hosted this regatta in 1981, again due to Rowan's sailing expertise.

The Star Racing Class is unlike any other. As the oldest "one design," it is presently raced at all levels of yacht racing from local clubs to the Olympics. It is strictly a "high-tech" racing machine sailed with a crew of two and is fast in both light and heavy winds. Currently, Stars are sailed in 158 fleets located in 20 countries. The class membership totals about 3400 individuals that sail in about 1700 boats today.

Fifty Star boats with their relatively tall masts and sleek hulls will make a beautiful sight on the lake, and because of the keen competition, may afford some thrills as a result of close maneuvering at the marks. Spectators are requested, however, to stay clear of the race course so as not to disturb the waters with their boat wake....Robert W. Mayer, Fleet Secretary

THE VIOLET - Summer Excitement

I tell you, dear fellow,
I said it was Yellow!
I never have seen one before.

To me, please don't bellow,
You repeat that it's yellow,
I repeat that you are a real bore!

I know, my dear fellow,
Violets are not yellow.
It's got something to do with the Bees.

You've aged, my dear fellow!
Thrills at violets, yellow?!
You've forgotten the Birds and the Bees!!

...Eleanor McKirdy

TOWN BOARD MEETING - 7/8/86

Only one bid was submitted for the 10' York rake. It was from the superintendent of highways in Dresden for \$129.99. The Board voted to accept the bid.

A letter from the state comptroller stated that the per capita aid will be the same for this year - \$10,975. There will be \$258 in extra aid.

The CHIPS program will be the same next year also.

A letter from HUD stated that Hague had received 351 points out of a possible 615. Hague ranked 38 out of 203 in the state and is the only community in Warren County to receive housing loans of \$328,000. This is for low income housing.

On July 17 the Zoning Revision Committee will review everything they have done so far.

Supervisor Bolton commended the committee members for their dedication. The revisions now go to Dan Kane, Assistant Planning Administrator for Warren County. After reviewing his comments, they will go on to the APA for their input and then back to the Town Board for scheduled public hearings.

Supervisor Bolton mentioned that there have been 13 beds of milfoil discovered so far in the lake. Efforts to screen them have been less than successful.

There are plans for a new emergency system which will be very beneficial to the town of Hague. The new system will identify the caller and location and phone number from which they are calling. This will eliminate many false alarms. Our residents in West Hague who now have a 585 number will benefit from this new system. All calls will be 911. It is estimated that it will be 18 months before it is operable.

Supervisor Bolton read a letter of resignation from Everett Lee from the Zoning Board of Appeals. A search for a new member for this board will be made.

Two resolutions were passed: #14 - authorizes supervisor to sign forms and enter into cooperative agreement with Warren County and town of Hague to administer HUD program. #15 Requests the County Superintendent of Highways to establish lower maximum speed limit of 25 m.p.h. on the Sabbath Day Point Road.

Dan Belden was granted permission to go to NY State Town Superintendents of Highways meeting from September 23 - 26.

Meeting was adjourned at 6:45 PM...djh

TOWN BOARD MORATORIUM EXTENSION

An amendment (local law #1, 1986) to the present building moratorium in Hague (local law #2, 1985) was passed at a public hearing held in the town hall on June 27, 1986. It extends the original moratorium for an additional 90 days.

Supervisor Bolton said that we have received the \$363,000 HUD grant we had applied for.

An order of consent for our land fill has been received by the town. We are already committed to the Adirondack Resource Recovery program under this order.

There is a possibility of applying for a new grant for Land Acquisition recreation or recreational improvements on 50-50 basis...gl

BEACHSIDE PURCHASE HEARINGS

The first public hearing concerning the Beachside Property purchase was held on Monday, June 16. It was strictly an informational meeting with questions asked and answers given. This building, under present plans, would be used as a town hall and multi-purpose building. The purchase and additional improvements would cost over \$400,000.

The second informational meeting for Beachside purchase was held on July 1. There was a large and interested attendance. Many penetrating questions were asked and the main concern seemed to be the lack of a professional study and cost analysis by a qualified architect. Also mentioned was the use of the school property we now own and the construction of a new building there....gl

PLANNING BOARD - 7/3/86

A public hearing was held on the Locust Inn property, now known as Hague Commons. The developer was seeking an amendment to an approved 9-lot subdivision, to utilize the clustering provision of our zoning ordinance, to allow the construction of 8 town houses consisting of two 4-unit town houses each.

At the regular meeting following the hearing the Board approved the amendment.

The Board approved an amendment to the 3-lot subdivision of Dorothy Henry to make it a 2-lot subdivision....ac

GALEN SEERUP, son of Mrs. Adra Seerup, Silver Bay won the individual gold medal in the Small Bore Rifle competition at the N.Y. State Police Olympics in Albany on June 12. He shot a 565-15X from a possible 600 perfect score. There were 17 competitors with the nearest score 37 points below. He also won the individual gold medal last year.

POKING AROUND NORTH COUNTRY HAMLETS

The Lake George Region, for generations a mecca for summer travellers, remains one of the most popular vacation areas in the East. Today a typical vacation on Lake George might include a cruise on the steamships Mohican or Minne-Ha-Ha, a visit to Fort William Henry to view a re-enactment of a Revolutionary War battle, or a fun-filled day playing miniature golf, visiting a wax museum, or riding The Screamer at the Great Escape Fun Park. For many visitors to the area, however, a Lake George vacation means exploring the tiny out-of-the-way hamlets in the area and taking part in traditional "North Country" events like strawberry festivals, ice cream socials, country auctions, craft fairs and fiddlers' round-ups. Here one can rub elbows with the people who live in the area year round, the inhabitants of the otherwise sleepy hamlets that shake off their winter wraps and come alive with activity during the summer months.

Following is a run-down of a few of these places and events.

Warrensburg, N.Y., normally a quiet nineteenth-century hamlet of tree-lined streets and Victorian homes centrally located in the Lake George Region, is the home of the "World's Largest Garage Sale" in October and is an antique and bargain hunter's heaven throughout the summer months. Warrensburg has several events scheduled for July and August, including the Smoke Eaters Jamboree sponsored by the local volunteer fire company, July 25-27; an Antiques Market August 2-3; and the Warren County Youth Fair August 7-10 with rides, food, 4-H exhibits, entertainment, livestock exhibits and horseshow. Warrensburg also boasts a number of dude ranches, and one can find several shops in the area specializing in Western riding apparel and equipment.

Brant Lake, a picture-postcard village located north of Lake George Village on Rt. 8, will host the Horicon Historical Society's Annual Bazaar and Ice Cream Social on July 25. There is a public boat and canoe launch at the Town Beach, and a day spent paddling the lake or floating down the nearby

Schroon River is guaranteed to give new meaning to the word idyllic.

North Creek, located on Rt. 28 north of Lake George, is the home of the famous Hudson River White Water Derby in spring, Oktoberfest in fall, and skiing at Gore Mt. in winter. In summer it becomes a fresh-air haven for city folk and offers some of the best fishing and hiking around. Surrounded by beautiful mountain lakes and rivers, North Creek is pure "North Country" and is well worth exploring. On July 19th the Adirondack Tri-County Nursing Home in the Village of North Creek will be holding its Annual Flea Market, and the village will be sponsoring a Whitewater Arts Festival on August 9th.

For those who like foot-stomping square dancing and fiddling music, the Village of Stony Creek, only minutes from Lake George, will host its annual Mountain Days August 1-3, a three-day festival of fun, dancing, mountain contests, eating, and a parade. In the township of Thurman/Athol, an Old Tyme Fiddlers Roundup takes place on August 9 and 10 on Toad Hill Stud Farm. Square dancing is the main event here, and there is primitive camping on the premises. On August 30, there is more dancing and fiddling at the Firemen's Round and Square Dance in Bolton Landing, located on scenic Route 9N just north of Lake George Village.

Other summer events taking place in the region are the HAGUE FISH AND GAME ROAST BEEF BUFFET ON AUGUST 2, WITH A BARBECUE, LIVE MUSIC, GAMES, AND HORSESHOE COMPETITION; THE HAGUE ARTS FAIR ON AUGUST 2-3; the St. Sacrement County Fair in Bolton Landing August 2-3; the 12th Annual Monks Festival at St. Benedict's Priory in Chastertown August 16-17; and the 13th Annual Family Festival in Shepard Park in Lake George August 19-23.

For further information about these and other local summer events, contact the Warren County Tourism Department, Lake George, NY 12845,

MARRIED - Susan Wotton, daughter of Mr & Mrs Robert Wotton, Forest Bay, to Robert McManus on July 12 in the Hague Baptist Church. Reception was held at the NLGYC.

I am sure it is a great mistake always to know enough to go in when it rains. One may keep snug and dry by such knowledge, but one misses a world of loveliness..Adeline Knapp in Food For Thought

"STATE OF LAKE" TOPIC OF LAKE GEORGE
ASSOCIATION ANNUAL MEETING

Peter Van Dyck, President of the Lake George Association (LGA) will address the state of the lake at the 101st annual meeting of the LGA to be held at 9:00 AM July 19 at the Bolton Landing School.

LGA vice presidents will review the activities of the past year, and committee chairpersons will be available to respond to questions. There will also be an open discussion with members on ways the LGA can increase its effectiveness in protecting Lake George.

Van Dyck said, "It will take the combined efforts of all concerned with preserving the lake to win the battle against milfoil. We need members' input as the Plan for the future of Lake George progresses. We anticipate a large turnout, expect many questions and invite the sharing of ideas and suggestions to preserve the beauty and quality of our lake now and in the future."

The LGA, with its 4,000 members is dedicated to improving and preserving the water quality of Lake George. As the oldest lake association in the United States, LGA works to educate the public to promote enjoyment of the Lake George area while maintaining it as one of the unique natural resources of the United States.

BACTERIA COUNT HIGH

Samples taken in June and July by the Fresh Water Institute (FWI) of Bolton show high coliform and streptococcus counts in the area located at the Warren County Sheriff's dock.

Also high in fecal coliform counts are the boat launch site in Hague, Middleworth Bay in Diamond Point, Saw Mill Bay Brook at Bolton and Glen Burnie Brook, Putnam.

Sources of the problem have not yet been identified. Mary Arthur Beebe, executive director of the Lake George Association encourages residents or visitors to call the LGA office or other agencies to report problems involving storm water or septic systems. She suggests that one should have an annual professional inspection of one's septic system to identify problems and prevent system failures. "It helps homeowners as well as the lake," she said.

FESTIVAL GUILD ARTS AND CRAFTS SHOW

A juried arts and crafts fair sponsored by the Ticonderoga Festival Guild will be held under the tent on the village green on August 9 and 10 from 10 AM to 5 PM.

WILLY C'S WEATHER NOTES - June/July

June tended to be on the damp side. We had rain fifteen out of the thirty days for a total of 5.95 inches. I'm certain our friends to the south would have been delighted with that much moisture. Highest and lowest temperatures were 85 degrees and 39 degrees reported last issue. We did have eight days where it got into the eighties. Our June weather spectacular occurred in the evening of June 16 when we experienced one of those marvelous electrical extravaganzas, about eighty minutes of continuous lightning, most of it cloud to cloud, in our area. About .8 inches of rain accompanied this storm and it did knock the power out, but with Mother Nature turning up the rheostat, house current was not needed to light one's way. Top wind gusts in June were 37 mph on 6/1 and 34 mph on 6/29.

Heating degree days for the 85/86 year, 7/1/85 to 6/30/86, were .7% colder than the previous year, but 6% warmer than normal. As we said in the last issue our days would be getting shorter by the end of June and so it has come to pass. We added another fourteen minutes by month's end. This process will be accelerating as the sun starts its southbound journey.

July finally saw the 90 degree mark reached on the 7th, but temperatures have been cool - 60% cooler than normal through the 12th. Had just over two inches of rain in an eight hour period on July 12. Water temperature at 10:20 AM July 13 was 67 degrees, air temperature, 61 degrees F. The summer, weatherwise so far, could certainly stand some improvement from the vacationer's point of view. About the only good thing one can say about rain on the weekend is that it keeps the noise level on the lake down.

Hope we can report improved conditions next month.

....Willy C

SCUBA DIVING COURSE

A Scuba Diving Certification Course will be given at the Silver Bay Lodge. The course will run for two consecutive weekends in August with those students successfully completing the course receiving an "Open Water Diver" certification issued by P.A.D.I.

Registration will be conducted on Friday, July 18 from 5 - 8 PM and Saturday, July 19 from 8 - 11 AM at Silver Bay Lodge. For more information contact Mark

Lightning kills more people in the United States than any other natural disaster: an average of 400 dead and 1,000 injured yearly.

HAGUE FIRE DEPARTMENT

On November 21, 25 members of the HVFD completed the N.Y.S. Certified Safe Driving School. The eighteen hour course was a HVFD requirement for all emergency vehicle operators and also open to the public.

On June 25, sixteen members of the HVFD completed the state required Pump Operators Course. The eighteen hour course included both classroom study in theory of operation and practical application in the field using full HVFD equipment.

The newly purchased Hague Fire Dept. pumper was used during field sessions to familiarize members with its operation.

HVFD members completing this course will be N.Y.S. certified and on file with the State Fire Commission in Albany.

The new HVFD pumper truck was picked up and put into service on July 7.

To all those community members who donated for the purchase of this truck, the department extends much thanks and appreciation. A great deal of time, in addition to the already many hours involved in volunteer emergency service, are now being spent to properly outfit and incorporate the new pumper into the HVFD routines.

Any community members interested in learning more about the equipment their donations help acquire are cordially invited to observe any of the fire service drills. These are regularly held on Friday evenings throughout the summer months.

Any community organization that may be interested in information as to how the HVFD Emergency Services relate to their particular area are urged to contact either HVFD President John Breitenbach, Sr., or Fire Chief Paul Davis.

...John Breitenbach, Sr.

ONLY A FEW MILES. A FEW DOLLARS...

and sometimes free, the delightful summer entertainments brought to this area by The Ticonderoga Festival Guild. The opening group, The Annapolis Brass Quintet, is giving a free workshop sample Wednesday morning, July 16. The following week, Wednesday, July 23, presents Rosalind Newman and Her Dancers, hailed by the N.Y. Times as "bold, intelligent, full of imagination." They will perform that same morning, (July 23) for children.

For those who love Gilbert and Sullivan--and, for those who never have had the chance to discover why there are thousands of people who can't resist this

perfect marriage of captivating music and delicious satire--the night of Tuesday, July 29 brings The Best of Gilbert and Sullivan.

Jazz lovers get their special evening on Tuesday, Aug. 5 when The Arvell Shaw Trio brings jazz in the tradition of Louis Armstrong and Benny Goodman. Shaw appeared in several popular movies, including "The Glenn Miller Story" and "High Society."

On Tuesday, Aug. 12, Bill Harrell and the Virginians, widely regarded among the top Blue Grass groups, will fill the festival tent with country music enthusiasts. Each of these performances starts at 8:00 PM under the yellow and white striped Festival Tent on the Community Lawn. It is suggested that you bring your folding chair. Tickets on sale at BOOK-MARK: General admission - \$5; Senior Citizens, \$4; Students (18 and under), \$3.

A special extra - at \$4 - will be presented at Silver Bay Auditorium on Sunday, August 3, 8 PM in a fine program by the now well established Champlain Valley Chorale. This group postponed its spring date in order to honor the requests of summer visitors to hear their Tenth Anniversary Concert.

A reminder - in the Arts Trek IV, in addition to the Annapolis Brass and the Rosalind Newman Dancers, there will be three other Wednesday mornings at 10 AM. July 30 - "The Fabulous Dream of Andrew Lupone;" August 6 - "The Clown Conspiracy;" August 13 - "America, Yes!" Be sure to give your children the chance to see live performers. The concentrated attention of young folk at the initial Arts Trek show, "Marshal Izen and Puppets," would delight any parent who knows that children get too much TV! And, remember, seniors who cannot make it to the evening concerts are welcome to join the children at this FREE Arts Trek series...B DG

DON'T FORGET THE HAGUE ARTS FAIR ON AUGUST 2 AND 3 AND THE FISH AND GAME CLUB ROAST BEEF BARBECUE ON AUGUST 2. SEE YA THERE.

SOUNDINGS

BORN - A boy, Jeffrey Braisted, to Mary and Bill Kaier, Glens Falls on June 26. Proud grandparents are John and Betty Braisted, Silver Bay.

MARRIED - Julie Van Patten, daughter of Martha and Grant Van Patten of Silver Bay and Schenectady, NY to Michael O'Toole of Albany on May 24, 1986 in Helen Hughes Memorial Chapel, Silver Bay.

MARRIED - Irene Spreeman, Hague, to Alfred Ostrander of Bergenfield, NJ in Annapolis, MD on June 3. They will reside in Hague.

DIED - Rev. David J. Heintzelman, 55, Silver Bay, on June 27 at Glens Falls Hospital. Survivors include his wife Betty, a daughter, four sons and five grandchildren.

MATTHEW CARTWRIGHT, son of Mr & Mrs. Alton Cartwright, Friends Point, recently graduated from the University of PA Law School where he was editor of the University of PA Law Review for two years. He is a graduate of Hamilton College (magna cum laude) with an A.B. degree in history, with departmental honors and Phi Beta Kappa. Matthew's wife, MARION, graduated from Temple Univ. School of Law. She is a graduate of U. of Scranton (cum laude) with Phi Alpha Theta honors and a B.A. in history. She will be serving as law clerk to Philadelphia Common Pleas Motions Court Judge Thomas White and Matthew has joined the law firm of Montgomery, McCracken, Walker and Rhoads as a litigation associate. Mr. & Mrs. Cartwright will celebrate their first wedding anniversary in August.

ARTHUR GRIEDER, D.D.S., Ridgewood, NJ and Sabbath Day Pt. has recently been appointed Professor Emeritus at the N.J. Dental School, University of Medicine and Dentistry of N.J. where he has taught as a professor of Restorative Dentistry for over twenty years. He continues as co-director of the Orofacial Pain/TMJ Diagnostic and Treatment Center at that school.

LANA ROSS, daughter of Mr & Mrs. Leo Ross, Hague was one of thirteen Ticonderoga High School students to receive the Presidential Academic Fitness Award.

JOHN YINTON TO PERFORM AT SILVER BAY

John Yinton, "The Adirondack Storyteller," was an early voice in the current storytelling revival, and he was featured in the first North Country Storytelling Festival now held annually in Canton. However, he is still the only person in the country who has adopted a major geographic area to serve as its regional storyteller.

Since 1977, when he began his storytelling career, he has performed at North Country occasions ranging from corporate outings to community festivals. His New York City debut at the American Museum of Natural History, November 1984, was sold out a week in advance.

For 1986, his tenth season, he has added three new pieces to his repertory: "The Tug Hill Devil," the folk legend of a woodsman who made a pact with the devil, "Raquette Lake, 1855," the true adventures of a summer camping party in "the golden years," and "Bill Gwinup Does It", about a woodsman who outsmarts a landowner. This brings his North Country repertory to eleven hours.

He has been featured in the National Storytelling Journal, in Adirondac magazine, and in a documentary on his work produced at WCFE-TV in Plattsburgh.

JOHN YINTON, "THE ADIRONDACK STORYTELLER" will appear in the Silver Bay Association auditorium on Friday, July 25 at 7:45 PM. The performance is open to the public. There will be no charge. His topic for the evening will be ADIRONDACK TALL TALES AND GHOST STORIES.

With all the talk of over-development of Lake George properties, milfoil, sewage troubles, etc. it is very evident that all agencies MUST work together or all will be the losers....MB

When an American says that he loves his country, he means not only that he loves the New England hills, the prairies glistening in the sun, the wide and rising plains, the great mountains, and the sea. He means that he loves an inner air, an inner light in which freedom lives and in which a man can draw the breath of self-respect...Adlai Stevenson, August 27, 1982

CALENDAR OF EVENTS - JULY and AUGUST

July

- 17 Senior Citizens Bus to Glens Falls
- 17 Carillon Garden Club picnic
- 22 Senior Citizens Club - 1:30 PM
- 23 Movie in the park
- 24 Zoning Board of Appeals - 7:30 PM
- 30 Movie in the park

Veterans' administrator in town hall every Thurs. at
11:30 AM for consultation.

August

- 2 & 3 Arts Fair in the Park - see p. 1
- 2 Fish & Game Club barbecue-see p 1
- 4 Fire Department - 8 PM
- 4 American Legion - 8 PM
- 6 Movie in the park
- 7 Senior Citizens Bus to Glens Falls
- 7 Planning Board - 7:30 PM
- 12 Town Board - 6:30 PM
- 13 Movie in the park

Misty mountains, morning haze,
Lazy days and amber rays.
Fireflies with tiny lights
Illuminating quiet nights.
Shimmering moon upon the lake,
Golden hours to lie and bake.
Fields of flowers, thunder showers
Demonstrating God's great powers.
All these things and so much more--
Are summer, sweet summer!

....Ruth Heins Klingler
