

What My Customers Are Saying

“Lana did an excellent job taking care of my cats last week. I arrived back home to two happy, well taken care of cats. She sent me a message everyday, with updates, which was appreciated. Thank you, Lana!!”

We have used Lana multiple times. We have a cat and two dogs. Our dogs are elderly and one has recently gone blind. They can be a handful! Lana takes exceptional care of our pets when we can't ourselves. She willingly walked both dogs at the same time in order to maintain their established habits, puts drops in eyes, maintained their feeding schedule, whatever we needed. She followed up with us by text while we were gone with updates and then had us text when we arrived home so she knew we were back. We plan to use Lana more and we can't say enough about her. Our pets love her and we love knowing that while we are away, our pets are in the hands of such an able, caring, professional person. Thank you Lana, it makes going away much easier and less stressful!

"We had an out of town wedding to attend and we contacted Lana about pet sitting our dog Moxie. Lana came to the house, meet Moxie, and went over all the details in person. The day before we left she contact us to double check everything. While we were away she texted us after her visits with Moxie and kept us up to date with how things were going. We would absolutely recommend Lana to anyone looking for a sitter and we will be calling on her services in the future for sure"

Lana's Pet Sitting has helped me with my various cats, mail, watering flowers and other small tasks for several years any time we go away or need to be away from home for several hours. Lana has always done everything I have asked of her and did it all efficiently, thoroughly and cheerfully. She seems to genuinely love caring for animals and they are calm, well fed and have clean litter boxes upon our return. Lana is professional, organized and friendly and I trust her completely in my house. We recently got a new puppy and hope to use her services for him as well. I would highly recommend Lana and her services and know your animals (and mail, flowers, newspapers) will be given great attention.
