Hello All,
I Hope all are doing well and healthy. **Please make note of the important dates & deadlines below.**

Attention District & Grand Presidents, Auxiliary Presidents not in a Grand, Past Supreme Presidents and Supreme Line Officers. If you **did not** register for Supreme Convention we are asking you to register now so you have a vote in the upcoming Supreme Guard Election. This registration exception is only for District & Grand Presidents, Auxiliary Presidents not in a Grand, PSPs and Supreme line Officers, who are not voting with their Auxiliary.

It is too late to submit **DELEGATE** forms. Only submit a registration form, see attached. Send \$20.00 by **September 15, 2020**, to Penney Howard, Supreme Treasurer, make check payable to MOCA Supreme. If you are not registered you will not be able to vote, **NO** Exceptions.

Election ballots will be mailed out on September 21, 2020 to all District & Grand Presidents, Auxiliary Presidents not in a Grand, PSPs and Supreme line Officers.

Grand presidents will be responsible to share the ballot information with their Auxiliaries.

Voting is not the decision of the Grand / Auxiliary President alone, or just 1 or 2 officers/members, it's a collective decision of the Auxiliaries. Voting for one candidate or splitting the votes between candidates.

Grands are to be in touch with each Auxiliary and return the ballot to Supreme Secretary Georg Jean Zimmerman, in the envelope that is marked **BALLOT** and **must be postmarked no later than October 26, 2020.**

Please follow the instructions that come with your ballot.
