This evening will offer the full spectrum of multi-dimensional tonal range, utilizing crystal bowls of various sizes and notes and the phenomenal earth tones of gong, didgeridoo, drums, rattles and Native American flute. Imagine a shamanic-like soulful journey of many and varied sacred sounds of the evening to sing the Language of Love and take your spirit to new heights while the other instruments masterfully anchor these energies into our bodies and our earth.

Come early for optimal space. *Bring a mat, pillow and blanket for lying down to relax and enjoy. (chairs will be available for sitting as well)* With either option, the sound will transport you to higher dimensions.
