Surface: The surface we will be holding our agility trial on is astro turf, which will provide a uniform, beautiful surface for our event. However, we cannot puncture the surface with tent stakes, or camp overnight, or feed dinner to our dogs on the field. We may put up day tents with sand bags or gallon water jugs only, provide water for our dogs and ourselves and provide dry treats for the dogs. Please do not drive your car on the turf. Please help us take care of the privilege of holding this spectacular event in this venue. The member of the Olympic Kennel Club thank you!!
