GRAND KNIGHT'S NOTES JUNE 2020

Dear Brother Knights,

Well, that was quite a year!!! It was also a wonderfully personal and rewarding experience to be your Grand Knight. I humbly thank all of you fellow Brothers for the honor and privilege of serving you.

A sincere and heartfelt thanks to all the Officers who served this year for their dedication to the Council and commitment to their fellow Knights. All of you should be proud of your personal contributions to a successful year. And a special thank you to the Chairmen and members who served on all our activities throughout the year. It amazed me how many charities, prayerful events, volunteer actions and selfless contributions that go on each year. Every one of you should be proud to be a Knight of this Council, one of the best in Ohio every year.

Now it is time to move forward to a new year. I know you will support Grand Knight Elect Roger Krolak and his team in the coming year, and I pray for them and for their success. I always pray for all of you, to be healthy in mind, body, and spirit.

Please welcome two new members of Council 14995. Dan Paulson took his Charity, Unity, and Fraternal degrees on April 24, 2020. Tim Bernier is a transfer from Council 10570 in Albuquerque NM. Please introduce yourself when you see them at upcoming activities.

We have scheduled our annual anniversary dinner for Saturday, October 24, 2020. Mark your calendars. Details to follow.

John Griffin

A very humble and thankful, Grand Knight

This is a wonderful opportunity to adore Christ and pray for healing. Please contact Bill Duffy if you plan to attend

All face-to-face meetings have been cancelled for the summer. Plan to conduct a Zoom meeting on June 07. We will see if there is any interest in having a fishing outing.

The Business meeting at 6:30 pm Thursday, 18 June will be BYOC! (Bring Your Own Chair!) It will also be an outdoor cookout!!

6:30 pm to 8:00, St. Charles School parking lot, in front of the vegetable garden.

We are going to hold the June Business Meeting outside on the St. Charles School parking lot, between the school building and the playground. The backup plan will be the Walsh Hall meeting space in case of inclement weather. **The event will be BYOC along with BYOD (Bring Your Own Drinks).** We will provide hot dogs, hamburgers, and chips along with condiments, plates, napkins, cups, ice and of course, our absolute best Waterford plastic-ware.

I really want to emphasize the importance of getting as many Knights as possible at this event because we will also be announcing the winners of Youth, Religious, Knight and Family of the Year and present their plaques. The winners have been told who they are and are going to be allowed, in fact, encouraged, to bring their families, who should stay and socialize!

We have District Deputy Ken Haacke's approval to have the ceremony to install the new officers early in the evening with our guests in attendance. Therefore, the agenda will be to have the cookout from 6:30 to 7:15, then the presentation of awards, then the New Officer's installation ceremony. After that, if there is any new business to conduct, we can meet as a Council, but I am planning on conducting new business beforehand with the content resolved before the Thursday meeting or postponed until the July meeting.

Conducting the installation ceremony with guests in attendance is a significant change! The changes to make the Knights of Columbus more open is a good thing, in my humble opinion!! But obviously, the elephant in the room is the COVID-19 pandemic. I believe it would be good to socialize, but we must be far more careful than just regular careful!

The Council members should get together and socialize; it is one of many contributing reasons we became Knights. But at this meeting, we must keep our social distance. And outdoors is a better place for a gathering especially if the social distancing rules are followed. Indoors will work also, if we take care to protect ourselves and our fellow Knights and guests. So, let us be prudent and wash our hands thoroughly before we come and bring your hand sanitizer. Masks are optional but wear yours if you wish.

Worthy Past Grand Knight Sir Ken Betche has volunteered to be in charge of providing clement weather. Brothers Luke Feerer and Adam Godby have stepped up to cooking duties. Brother John Moran and his band of guards are in charge of infrastructure and support equipment. This is a big job, contact them and volunteer to help. We need you, now is the time to come to the aid of the party!

The slate of officers for Council 14995 for the 2020-2021 fraternal year is shown to the right. The election of these officers was held at the May business meeting. The installation of these officers will be at the June 18 business meeting.
