X-RoVision specializes Dj, sound, and audio for all event types. We supply PA systems for Dj's, award ceremonies, presentations, workshops, special events, and public & private events. Our customer service to our clients is delivered with a focus and commitment to total customer satisfaction. We offer reasonable rates based on your event needs and will work with you to ensure our services far exceed your expectations and offer your guests an enjoyable event to remember.

### **Services Offered:**

**Dj / Host / Music Curator** - Our Dj's play multiple music genres, from soul classics and funk, rap and hip hop, disco to house, Top 40 & Rock, and other popular genres. Typical our responsibilities include creating playlists, mixing music tracks, interacting with the public, taking song requests, hosting, and taking part in promotional activities.

**Audio & Sound** - X-RoVision provides audio & sound for all your event needs. We use world class QSC sound systems for all customer events from small to large engagements. Our setup is great for speaking engagements, public/private events, dance parties and outdoor gatherings.

### **Services Includes:**

- Quality audio and sound
- Audio Technician
- DJ / Music Curator / Host
- Knowledge of music & audio equipment
- Pre event music consultation (via phone, text, or email)
- Online Live Broadcasting (additional fees apply)
