Hernandez, Wendy Holmes, Marissa Gee, Norma Torres-Gonzalez, Catherin Kuipers, Lynn Harvey, Luis Jauregui, Lois Bostwick, Olga Saucedo, Ferris Kavar, Alexandra Morgan, Dione Carter, Anthony Fuller, Paul Hammond, Flavia de Mello, Eve Adler, Harmony Rousseau, Georgia Farber, and Sal Veas

Approval of Minutes

Melody Nightingale
Alexandra Morgan – 2nd

Public Comment

AEC has had issues concerning reimbursement of travel funds. Attempts are being made to remedy these issues.

Ferris Kavar attended a Bike Industry Forum in Santa Monica. He commented regarding bike repair as a job growth sector and described the bike repair industry as a loosely created industry. Encourage the consortium to add a business component to the proposed Bike Repair program.

Consortium Updates

Introduction of Dione Carter as the new Dean, Noncredit and External Programs

New Logo selected and approved

OTAN Tech Symposium (tabled)

Implementation Lead Introductions and/or Updates

Counseling Alignment (WIOA/AEBG Project) (tabled)

Melody Nightingale described her work and assignment for this semester as regards ESL and CASAS content integration (WIOA Project)

Implementation Leads provided handouts and short presentations regarding their content areas of development and possible pathways into noncredit and credit offerings at the college. Anthony Fuller discussed the areas where AEC pre-req courses may align with the proposed pathways.

Integrative Health, Eve Adler
Health Sciences, Georgia Farber
Kinesiology, Marissa Gee

Sal Veas from the Business Department discussed proposed noncredit programs that could be within the business area which could lead to existing for-credit logistics, customer services, and business information worker programs. He also discussed the possibility of having credit and noncredit students in one class, a
