

CFC BILINGUAL ACADEMY

MARCH 2018 NEWSLETTER

What an incredible year we have had so far! The months to follow also will be filled with learning, sharing, laughter and much needed rest. Please see attached calendar for special events coming up.

Our Bike A Thon Event is coming up in April and this year we want it to be bigger and better than ever! This year funds collected will go towards our "Technology Project". The plan is to buy computers/Ipads for the classrooms. We are very excited about this project but we need your help to be able to complete it. For our new parents let me explain what a Bike A Thon is. Students collect donations from neighbors, friends, and family members and on Saturday, April 21st the students bring their bikes or trikes and ride around a course. This is a family event so invite family members! We finish the event with Worship, total amount raised announcement and lunches which will be available for sale. **SAVE THE DATE!** We will also be selling Raffle Tickets to win a puppy!(Acosta Family Donation) More information to come! Winner will also be announced on April 21st.

Abc-2nd PE: During the month of March students will play dodge ball and revisit concepts for kickball. Students will complete tagging (dodge ball) challenges, assemble teams, have fun, as well as revisit a traditional kickball match. We will also partake in team building activities such as capture the flag, Conquer, and other fun activities.

3rd-4th PE: We will finish up Basketball for the first half of the month and begin track and relay running for the last part.

5th-up: We will finish up Basketball for the first half of the month and begin volleyball during the last part of the month.

Abc-2nd Music: Students will continue their Piano lessons by learning the CDE piano technique three major chord scales and "oh when the Saints go marching in".

3rd-4thMusic: Students will continue their Piano lessons by learning three major chord scales, 3 finger-chord patterns, and "oh when the Saints go marching in"

5th-up Music: Students will continue their Piano lessons by learning part 2 of "Ode to Joy" by Ludwig Van Beethoven. Students will continue learning major and minor scales and triad piano chords. Vocally, students will learn advance vocal warm-ups and begin learning "All my Hope" by David Crowder.
