MEDICAL INSURANCE

Supplemental, Secondary Medical Insurance is required for Drivers and Owner-Drivers, and is **included in the membership fees above**. All **other** members **may elect** the same insurance as an optional addition to their membership. This insurance is secondary to the member's own medical insurance and race track insurance coverage. It will pay for medical expenses, with certain typical exclusions, after satisfaction of the first \$10,000 of expenses by member and or track as a deductible, and after those other coverages expire, up to \$100,000. RMMRA sanctions no events without track insurance of at least the \$10,000 (which usually is also secondary to the member's own insurance, if available). This coverage applies only at the race track at RMMRA sanctioned events.
